Re: Case No. TO-2004-0207
In the Matter of a Commission Inquiry into the Possibility of Impairment
without Unbundled Local Circuit Switching When Serving the Mass Market

Dear Secretary Roberts:

Affordable Phone recently learned of the Missouri Public Service Commission's November 5, 2003, Order in the above-referenced case which made Affordable Phone a party to Case No. TO-2004-0207. That Order also provides that CLECs which provide service "solely on the basis of resold incumbent local exchange carrier services" may request to withdraw from the case.

Affordable Phone provides basic local service in Missouri solely on the basis of resold incumbent local exchange carrier services and wishes to be allowed to withdraw from Case No. TO-2004-0207.

Enclosed is a duplicate copy of this letter to be file-stamped and returned to me in the self-addressed, postage paid envelope. If there are any questions about this letter, you may contact me at (870)425-4676 or e-mail at phv3060@yahoo.com [or our local counsel, Mary Ann (Garr) Young at 573-634-8109 or by email at myoung0654@aol.com]

Sincerely,

Don Beckwith
Gen. Manager
