of Convenience and Necessity Authorizing it to )  
Construct, Own, Operate, Control, Manage, and )  
Maintain a High Voltage, Direct Current )  
Transmission Line and Associated Converter )  
Station. )

**Case No. EA-2023-0017**

**MOTION TO LATE FILE REBUTTAL TESTIMONY**

**COMES NOW** the Staff of the Missouri Public Service Commission (“Staff”), by and through counsel, and for its *Motion to Late File Rebuttal Testimony*, hereby states as follows:

1. On April 19, 2023, Staff filed public and HC copies of its Staff Report and rebuttal testimony in EFIS, and provided service copies via email to the parties in this matter.
2. On April 20, 2023, Staff discovered that the public copies of the Staff Report and the testimony of Staff witness Michael Stahlman failed to upload to EFIS. The public and HC copies of the testimony of Staff witnesses Claire Eubanks and Shawn Lange also failed to upload to EFIS. However, service copies of the Staff Report and Staff witness testimony, public and HC, were successfully shared with the parties via email on April 19, 2023.
3. Staff has made the parties aware of this issue, is moving to correct the error, and will resubmit the public and HC copies that failed to upload to EFIS on April 19, 2023.

**WHEREFORE**, Staff prays that the Commission will accept the public copies of the Staff Report and testimony of Staff witness Michael Stahlman, and the public and HC copies of the testimony of Staff witnesses Claire Eubanks and Shawn Lange filed via EFIS on April 20 2023; and prays for such other and further relief as deemed just by the Commission.

Respectfully submitted,

**/s/ Travis J. Pringle**
