NOTICE REGARDING FILING

Issue Date: July 13, 2022

On July 12, 2022, Grain Belt Express LLC filed a notice of its intent to file an application to amend the certificate of convenience and necessity that the Commission granted it in 2019 in File No. EA-2016-0358. It filed that notice in the old, closed file, reasoning that the proposed amendment in response to changed circumstances was contemplated in the order that granted the certificate of convenience and necessity.

The Commission has removed the notice of intent to file from EA-2016-0358 and placed it in a new file, EA-2023-0017. When Grain Belt Express files its application, it should file that application in the new file.

As part of its notice of intent, Grain Belt Express included a request for waiver of the 60-day notice requirement of Commission Rule 20 CSR 4240-4.017. That request is

premature at this time. Grain Belt Express may renew its request for waiver when it files its application to amend its certificate of convenience and necessity.
