**MOTION TO POSTPONE DATE TO FILE
RECOMMENDATIONS REGARDING TEST YEAR AND TRUE-UP**

COMES NOW Staff of the Public Service Commission of Missouri (Commission), and for its Motion, states:

1. In its March 12, 2008 *Order Directing Notice, Suspending Tariff, Setting Hearings, and Directing Filings*, the Commission ordered parties to file, on or before April 11, 2008, a pleading indicating concurrence in Trigen's recommended test year or recommending alternatives to that test year.

2. In the same Order, the Commission ordered parties to file, recommendations concerning true-up on or before April 11, 2008.

3. During the course of preliminary discussions between Staff and Trigen, it was determined that it would be helpful to delay the filing of recommendations concerning test year and true-up until after certain data had become available, and a prehearing conference has been conducted.

4. The March 12, 2008 Order set an early prehearing conference for April 17, 2008.

5. Trigen, the Office of Public Counsel, the City of Kansas City, and Kansas City Power & Light have consented to the postponement of the filing of recommendations concerning test year and true up.

WHEREFORE, the Staff respectfully requests that the Commission postpone the date for filing recommendations regarding test year and true up to not later than April 24, 2008.

Respectfully submitted,

/s/ Sarah Kliethermes
