Case No. EC-2001-345

**RESPONDENT'S MOTION FOR EXTENSION
OF TIME TO FILE BRIEF
AND PROPOSED FINDINGS AND CONCLUSIONS**

Comes now respondent, Union Electric Company d/b/a AmerenUE, and for its Motion for Extension of Time to File Brief and Proposed Findings and Conclusions, pursuant to 4 CSR 240-2.050(3)(A), states as follows:

1. Respondent received complainant's Initial Brief and Proposed Findings of Fact and Conclusions of Law on May 28, 2002.
2. Pursuant to the April 26, 2002 Order Directing Filing, respondent's Brief and Proposed Findings of Fact and Conclusions of Law are due to be filed on or before June 28.
3. Also pursuant to said Order Directing Filing, respondent's Reply Brief is due to be filed on or before July 17.
4. Due to the present work load and responsibilities of respondent's counsel, including Case No. EC-2002-112, which is set for hearing before the Commission the week of July 8, 2002, respondent is requesting a thirty day extension of time in which to file its Brief and Proposed Findings of Fact and Conclusions of Law.

5. The complainant, which previously requested and received a thirty day extension of time in which to file its Initial Brief, does not object to this request, nor does the Staff of the Commission or office of Public Counsel.

6. This request for extension of time is being made in good faith and not for purposes of delay and an extension will not have a negative effect on the parties, respondent's customers or the general public.

WHEREFORE, respondent, Union Electric Company d/b/a AmerenUE, respectfully requests that the Order Directing Filing be amended so as to require respondent to file its Brief and Proposed Findings of Fact and Conclusions of Law on or before 4:00 p.m. on July 29, 2002, that complainant be required to file its Reply Brief on or before August 12, 2002, and for such other and further relief as the Commission deems appropriate.
