In the Matter of the Review of the Competitive)
Classification of the Exchanges of Southwestern) **Case No. TO-2007-0053**
Bell Telephone, L.P., d/b/a AT&T Missouri.)

OFFICE OF THE PUBLIC COUNSEL'S REQUEST TO SUPPLEMENT EXHIBIT 17

The Office of the Public Counsel asks the Missouri Public Service Commission to supplement Exhibit 17 submitted by the Staff. In its current form, Staff's Exhibit 17 appears to be a compilation of information in a chart prepared by Staff relating to the change in AT&T's prices for nonbasic services from 1999 to 2001. However, it is only a partial record of AT&T price changes from 1996 to 2004 gleaned from an exhibit in TO-2001-467 (an AT&T competitive classification case) and from the update of that exhibit in AT&T's DR response to Public Counsel in TO-2005-0035, another AT&T competitive classification case.

Public Counsel suggests that it would be appropriate to supplement Exhibit 17 with the entire original source documents so that the record of this competitive status investigation is complete.

On March 14, 2007, in accordance with its commitment at the hearing, Public Counsel provided to Staff and AT&T copies of Late filed Exhibit 29 in case TO-2001-467 and AT&T's response to Public Counsel's DR in Case number TO-2005-0035 that updated that Exhibit 29 from TO-2001-467 to include price changes from 1996 to 2004.

Public Counsel anticipated that the entire history of price changes in those documents would be submitted as Exhibit 17. (In fairness, neither AT&T nor Staff made

any specific representation that Staff would submit the entire AT&T prepared price change spread sheets as Exhibit 17). However, Public Counsel submits that it is appropriate to include not only the Exhibit 17 prepared by Staff for nonbasic services, but also include as part of that Ex. 17 the complete price history AT&T prepared for its services in connection with the review of competitive status under Section 392.245, RSMo in Cases TO-2001-367 and TO-2005-0035.

A copy of the spreadsheets Public Counsel requests is included as a supplement to Ex. 17 is attached to this request.

Wherefore, Public Counsel requests the Commission to grant its request and supplement Ex. 17 with the attached price change summary master Excel spreadsheet (attachment 1) and the TO –2001-467 exhibit 29 (attachment 2).

Respectfully submitted,

OFFICE OF THE PUBLIC COUNSEL
