Re: SBC's Material Data Requests to Missouri CLECs; Case No. TO-2004-0207

Mr. Gryzmala,

Please be advised that we have received your data request in the above mentioned case currently pending in the state of Missouri. Although QCC, Inc. has a CLEC certificate in Missouri, it has never done any CLEC business in the state, does not have any facilities or equipment located within the state, and is in the process of winding down the business. As such, QCC, Inc. has no information which would assist SBC and will not be providing any responses.

This letter is also to serve as notice that QCC has no intention of participating in the above listed Case. If you have any questions regarding this matter, please feel free to contact me at your earliest convenience.

Very truly yours,
