Re: Sage Telecom/SBC Missouri Interconnection Agreement  
Case No. TO-2004-0576

Dear Judge Roberts,

We are writing to advise that Sage Telecom and SBC Missouri have reached an agreement to delay the effective date of the private commercial agreement and are in the process of reducing that agreement to writing. In any event, we would note that under Section 252(e)(4) of the Act, the terms subject to Sections 251 and 252 of the Act (which are contained in the amendment filed on May 4, 2004 to the parties' existing interconnection agreement) will not become effective until either approved by the Commission or 90 days have passed after its filing.

Please call me with any questions or if anything further is needed.

Very truly yours
