**ORDER GRANTING MOTION TO CANCEL TARIFF**

Issue Date: October 19, 2006

Effective Date: October 19, 2006

On October 3, 2006, the Staff of the Missouri Public Service Commission filed a motion to cancel the tariff of Ciera Network Systems, Inc. In its motion, Staff states that the Commission granted to Ciera a certificate of service authority to provide basic local telecommunications service and that the company had several tariffs to provide services under this certificate.

In this case, the Commission canceled the company's certificate of service authority and two of its tariffs. However, because a third tariff was improperly filed, it was not canceled. Staff now seeks to cancel the company's tariff, PSC MO No. 4.

Commission rule 4 CSR 240-2.080(15) requires that responsive pleadings be filed within ten days. Ten days have expired and no response to Staff's motion has been filed. The Commission has reviewed Staff's motion and, finding it reasonable, will grant the requested relief.

**IT IS ORDERED THAT:**

1. The Staff of the Missouri Public Service Commission's Motion to Cancel Tariff is granted.

2. The Ciera Network Systems, Inc.'s tariff, PCS MO No. 4, is canceled.
3. This order shall become effective on October 19, 2006.
4. This case may be closed on October 19, 2006.
