**STAFF’S REPORT ON SOUTHWESTERN BELL TELEPHONE COMPANY’S
PERFORMANCE METRIC RESULTS FOR JUNE 2005**

COMES NOW the Staff of the Missouri Public Service Commission (“Staff”) and for its report states:

1. By order titled “ORDER DENYING MOTIONS TO RECONSIDER RECOMMENDATION AND OPENING CASE FOR MONITORING PURPOSES” and dated September 4, 2001, in ordered paragraph no. 3, the Commission ordered “[t]hat this case shall remain open for administrative purposes and for the continued receipt of periodic reports from the Staff of the Missouri Public Service Commission regarding Southwestern Bell [Telephone Company]’s continued performance.” In describing the nature of the reports in the subsequent sentence of that ordering paragraph the Commission stated, “The reports should include but not be limited to the results of the six-month performance reviews, any penalties paid to the state treasury as a result of the Performance Remedy Plan, recommendations for reductions of performance measures, and the results of the LMOS database audit in the state of Texas.”

2. In the attached Memorandum, which is labeled Appendix A, the Staff reports that Southwestern Bell Telephone Company, LP d/b/a SBC Missouri's rolling three-month period all-measures success ratio for the months April through June 2005 was 98.1%.

3. The Staff also reports that for the month of June 2005 SBC Missouri met benchmark or parity levels for an all-measures success rate of 95.8%.

4. The Staff reports that for the reporting month of June 2005 SBC Missouri credited \$12,125 to competitors for Missouri 271 Interconnection Agreement Tier I Performance Remedy Plan results. Additionally, the Staff reports that for the reporting month of June 2005 SBC Missouri paid \$1,500 into the Missouri State Treasury for Tier II Performance Remedy Plan payments. Since inception of the plan in Missouri through the reporting month of June 2005 SBC Missouri has issued to competitors and paid into the Missouri State Treasury an aggregate of \$7,061,878 in credits and payments for Missouri 271 Interconnection Agreement Tier I and Tier II Performance Remedy Plan results.

5. The Missouri 271 Interconnection Agreement, including the Performance Remedy Plan, expired on March 6, 2005. In Case No. TO-2005-0336, by agreement of SBC Missouri and those who had opted into the M2A, existing M2A Interconnection Agreements were extended to August 10, 2005 to allow time for the parties to file their M2A successor agreements with the Commission and for the Commission's review.

6. Successor agreements have been filed and approved and CLECs are in the process of adopting those agreements.

7. SBC Missouri has committed to filing a monthly performance monitoring report, pay Tier I credits to the CLECs and make Tier II payments to the state. through August.

WHEREFORE, the Staff, in compliance with the Commission's Order dated September 4, 2001, files the attached Staff Memorandum, labeled Appendix A, that reports on payments and credits made by SBC Missouri under the Missouri 271 Interconnection Agreement Performance Remedy Plan and certain performance measurement results through the reporting month June 2005.
