

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of the Application of Missouri Gas)	
Energy, a Division of Southern Union Company, for)	<u>Case No. GO-2009-0302</u>
Approval to Change Its Infrastructure System)	YG-2009-0795
Replacement Surcharge.)	

MOTION FOR EXPEDITED TREATMENT

COMES NOW Missouri Gas Energy, a division of Southern Union Company (MGE or Applicant), and, in accordance with Missouri Public Service Commission (Commission) Rules 4 CSR 240-2.080(16) and 4 CSR 240-2.065(2), moves the Commission for expedited treatment of MGE's tariff filed on May 7, 2009:

1. On May 6, 2009, the Commission issued its Order Rejecting Tariff But Authorizing Recovery of Modified ISRS Rates. In that Order, the Commission rejected the tariff sheet filed by MGE on February 19, 2009 (YG-2009-0604), and authorized MGE to file a tariff sheet to impose an ISRS as specified in the Order.

2. Concurrently, with the filing of this Motion, MGE filed a tariff sheet in order to comply with the Commission Order (9th Revised Sheet No. 10) (provided herewith as **Appendix A**). This tariff sheet carried a proposed effective date of June 6, 2009 (30 days), and was assigned tracking number YG-2009-0795.

3. MGE seeks the Commission's order allowing the proposed tariff sheet to go into effect on May 21, 2009, or as soon as the Commission shall find to be reasonable.

4. The ISRS process is authorized by Sections 393.1009, 393.1012 and 393.1015, RSMo, and Commission Rule 4 CSR 240-3.265. Its goal is to provide eligible

gas corporations with the ability to recover, on a timely basis, certain infrastructure replacement costs outside of a formal rate case filing via the ISRS. The Commission has authorized such an ISRS in this case and there are no further procedures to be completed. Granting this Motion will afford MGE the timely rate relief which the Commission has found to be justified. As such, Commission action as requested will be consistent with the public interest as established by the General Assembly and Commission order.

5. The subject tariff sheet and this Motion have been filed as soon as possible after the issuance of the Commission's Order Rejecting Tariff But Authorizing Recovery of Modified ISRS Rates.

WHEREFORE, for the foregoing reasons, MGE respectfully requests the Commission to grant MGE's Motion for Expedited Treatment and approve MGE's proposed tariff sheet (YG-2009-0795) effective May 21, 2009, or as soon as the Commission shall find to be reasonable.

Respectfully submitted,

Dean L. Cooper MBE #36592
