Dear Judge Dippell:

After the public hearing on October 18, 2005, a citizen gave me the enclosed communications from the Raintree Development.

I respectfully request that these two documents (a letter and a petition) be included as late filed exhibits for the public hearing record.

Please contact me at 571-5559, if you have any problems or questions

Very truly yours,

We would like to show our support for the Public Counsel's position in confronting SBC regarding the Metro Calling Area Plan which charges \$12.35 a month.

We think that Greenwood & Lee's Summit should be modified from a Tier 3 exchange to a Tier 2 exchange which would lower the monthly fee.

We would like to voice our support for the Public Counsel's position on the Metro Calling Area Plan and for it to be modified from a Tier 3 exchange to a Tier 2 exchange.

We have lived at Raintree Lake for over 10 years and have never understood why we have been charged \$12.35 extra on the phone bill. It's not like we are in a very rural area. After shelling out over \$1250 during that time we want to see some action getting this rescinded. With 5 children in the KC area we have been forced to pay this in order to just talk to them.

We are absolutely 100% in agreement with Public Counsel and want to see things change, it's only fair.
