### **NOTICE CLOSING CASE**

Issue Date: November 30, 2007

On November 6, 2007, the Commission issued an order denying the Office of the Public Counsel's motion to suspend First Communications, LLC's tariff proposing new calling plans and adding a monthly recurring charge to other calling plans for interexchange services. That order became effective on November 16, 2007. The Commission also directed the Staff of the Commission to investigate whether nontariffed rates or fees were charged by First Communications and either bring an appropriate complaint to the Commission or file a report of its findings.

On November 28, 2007, Staff responded to the Commission's order. Staff reports, based on a company officer's affidavit, that First Communications sent corrected customer notice and that First Communications did not charge nontariffed charges. Staff states that it is satisfied with First Communications' responses and does not wish to bring a complaint.

The Commission finds that no further action is required, and this case is therefore closed.
