Application of Sprint Communications Company, L.P., )  
For Approval of the Transfer of Customers to ) **Case No. TO-2006-0254**  
Trinsic Communications, Inc. )

**OFFICE OF PUBLIC COUNSEL’S CONCURRENCE IN THE STAFF  
RECOMMENDATION**

The Office of the Public Counsel concurs in the Staff’s recommendation that the transfer of customers be approved.

Public Counsel contacted Mr. Andrew Graham, Associate General Counsel of Trinsic Communications, Inc. concerning the intent and scope of the Paragraph 13 of the Application that states that the notice of the change of local providers will advise customers that they have a right to switch to a carrier of their choice and that “The customers are further informed that if they wish to switch to a carrier other than Trinsic, they may incur a transfer fee.”

On December 15, 2005, Mr. Mike Reith, an associate of Mr. Graham, contacted Public Counsel and on behalf of Trinsic agreed that Trinsic will not charge a transfer fee to customers who leave the Trinsic network for another provider if made within 30 days of becoming Trinsic customers under the transfer of customers in the Application.

With this understanding and commitment by Trinsic, Public Counsel concurs in the Staff recommendation for approval.

Respectfully submitted,

OFFICE OF THE PUBLIC COUNSEL
