Commission Rule 4 CSR 240-3.545) Case No. TX-2006-0429

FISCAL NOTE REVIEW MEMORANDUM

COMES NOW the Staff of the Missouri Public Service Commission (“Staff”) and states:

1. In the Memorandum attached as Appendix A, the Staff advises the Commission that the Staff conducted a review of the fiscal estimates from the rule adopted in this case and has determined that no fiscal estimate changes need to be filed with the Secretary of State.

2. The Commission’s Order of Rulemaking amending 4 CSR 240-3.545, Filing Requirements for Telecommunications Company Tariffs, was published in the November 16, 2006 *Missouri Register*. This amendment became effective on December 30, 2006, thirty days after publication in the *Code of State Regulations*.

3. Section 536.200.2 RSMo (2000) requires agencies to make a filing with the Secretary of State if, after the first full fiscal year after implementation, the cost of the rule exceeds the agency estimate. The first full fiscal year after the rules became effective was the fiscal year beginning July 1, 2007 and ending June 30, 2008.

WHEREFORE, the Staff respectfully submits the attached Memorandum wherein the Staff states its conclusion that no fiscal estimate changes need to be filed with the Secretary of State.

Respectfully submitted,

/s/ William K. Haas

Memorandum

To: Official Case File
Case No. TX-2006-0429

From: John Van Eschen
Telecommunications Department

Subject: Fiscal Analysis Review for 4 CSR 240-3.545(16)

Date: July 29, 2008

Commission rule 4 CSR 240-3.545(16) pertains to one-day tariff filings. The amended rule became effective on December 31, 2006. The amendment was estimated to have a public entity cost of not more than \$500 in the aggregate and a private entity cost of not more than \$500 in the aggregate.

Section 536.200.2 RSMo requires agencies to make a filing with the Missouri Secretary of State if, after the first full year after implementation, the cost of the rule has exceeded by ten percent or more the estimated cost in the fiscal note or has exceeded five hundred dollars if the proposed cost was estimated to be less than five hundred dollars. The Missouri Commission's General Procedure 1 requires a Staff investigation of the fiscal impact to begin thirty days prior to end of the first full fiscal year. Accordingly, Staff is to prepare a memorandum within thirty days after the end of the first full fiscal year if costs are less than 10% or \$500, where appropriate. If costs are more than 10% or \$500, the General Counsel prepares a filing for action by the Administrative Law Judge.

The Commission Staff has not discovered any information that would show the cost estimates associated with the rule were not accurate. Additionally, Staff has contacted the industry for input on the fiscal review. Staff has not received any information from any party indicating the cost estimates as published in the Missouri Register were not accurate. Since the Commission Staff's investigation indicates the published cost estimates related to the implementation of this rule have not been exceeded, no Missouri Register publication is required under Section 536.200.2 RSMo.
