**ORDER DIRECTING FILING**

Issue Date: February 7, 2006

Effective Date: February 7, 2006

South Jefferson County Utility Company and the Summer Set Property Owners Association filed an application to cancel the certificate of convenience and necessity to operate a water and sewer company granted by the Missouri Public Service Commission to South Jefferson. In the application, applicants inform the Commission that upon cancellation of the certificate, the assets of the water and sewer company will be transferred to the property owners.

Because this matter resembles a transfer of assets, rather than a certificate cancellation, the Commission will treat it as a transfer case. As such, Section 393.190, RSMo 2000, requires the applicants to make a statement as to the impact, if any, that this transfer will have on the tax revenues of the political subdivision where the assets are located. The Commission will therefore direct the applicants to file a pleading in compliance with Section 393.190.

Upon receiving the required statement, the Commission will proceed expeditiously with this application.

**IT IS ORDERED THAT:**

1. South Jefferson Utility Company and the Summer Set Property Owners Association shall file a statement as to the impact, if any, the transfer of assets will have on the tax revenues of the political subdivision where the assets are located.
2. This order shall become effective on February 7, 2006.
