**LACLEDE GAS COMPANY'S
SECOND TRANSITION STATUS REPORT**

COMES NOW Laclede Gas Company (“Laclede Gas” or “Company”) and, pursuant to paragraph 13d of the Stipulation and Agreement in the above referenced case, submits the following report to address the progress being made toward the assumption by Laclede Gas of the transition services currently being provided by Southern Union Company (“SUG”) to Laclede Gas under the Continuing Services Agreement (“CSA”) between Laclede Gas and SUG. In support thereof, Laclede Gas states as follows:

1. Laclede Gas reports that the services provided by SUG essentially pertain to information technology, that is, computer systems. Laclede continues to make steady progress toward its goal of being prepared to handle all system requirements for MGE by April 1, 2014. At that time, Laclede anticipates eliminating the need for these particular transition services.

2. Laclede Gas further confirms that there have been no amendments or changes to the CSA, and Laclede Gas has not made any material changes to its transition plans, including any changes that would impact customer service quality or gas supply.

Respectfully submitted,

/s/ Rick Zucker
