RE: Case No. GR-2007-0208
Tariff No. YG-2007-0384

Dear Secretary:

Enclosed herewith for filing with the Missouri Public Service Commission ("Commission") are revised tariff sheets which are applicable to both divisions of Laclede Gas Company, including a listing and designation of such revised sheets and the sheets to be cancelled.

Such sheets are being filed in compliance with Ordered Paragraph Nos. 4 and 5 of the Commission's July 19, 2007 *Order Approving Unanimous Stipulation and Agreement and Authorizing Tariff Filing* in the above-referenced case. As directed by the Commission in the Order, such sheets are being filed with an August 20, 2007 effective date which is 30 days after the July 20, 2007 issue date, even though the Commission has determined that "that good cause exists to approve tariffs that comply with the agreement on less than 30-days notice to become effective August 1, 2007". In a separate motion the Company is filing today, the Company is advising the Commission of the instant filing and requesting an August 1, 2007 effective date for the enclosed tariff sheets.

Sincerely,

Kenneth J. Neises
