

In the Matter of the Application of)
Transource Missouri, LLC for a Certificate)
of Convenience and Necessity Authorizing it) Case No. EA-2016-_____
to Own, Operate, and Maintain a Switch)
Yard Necessary for Interconnection with the)
Transmission Grid in Northwest Missouri)

Any regulated entity that intends to file a case likely to be a contested case shall file a notice with the secretary of the commission a minimum of sixty (60) days prior to filing such case. Such notice shall detail the type of case and issues likely to be before the commission.

4. Because Transource Missouri does not believe that this matter is “likely to be a contested case,” it is not clear that 4 CSR 240-4.020 would apply to this proceeding. However, out of an abundance of caution, the Company submits this Notice of Intended Case Filing.

5. Transource Missouri intends to file an application for a CCN similar to the application which it filed on January 19, 2016 in Case No. EA-2016-0188. The application to be filed in this proceeding will be for a different switch yard facility in northwest Missouri. The Company expects to submit its application to the Commission within 60 days of this notice or shortly thereafter.

WHEREFORE, Transource Missouri, LLC submits this Notice of Intended Case Filing.

Respectfully submitted,

/s/ Karl Zobrist
