Case No. _____

MOTION FOR PROTECTIVE ORDER

Comes now TruComm Corporation ("TruComm" or "Applicant"), by its undersigned counsel, and pursuant to 4 CSR 240-2.085, moves the Commission to issue a protective order in this matter with respect to financial information provided in conjunction with TruComm's Application for certificate of service authority for basic local telecommunications service, which is being filed concurrently herewith. In support of its motion, TruComm states as follows:

1. TruComm is a privately held corporation engaged in the provision of telecommunications services which are highly competitive. The public disclosure of financial statements of TruComm could be injurious to its business and competitive position.

2. Applicant has concurrently filed its Application for certificate of service authority to provide basic local telecommunications service. Exhibit C to the Application will include highly confidential financial information which will be marked Highly Confidential and late-filed in a sealed envelope at such time as the Commission issues a Protective Order in this case.

3. The financial statements to be provided in support of the Application are private and confidential financial and business information, and therefore constitute

highly confidential information entitled to protection from disclosure under 4 CSR 240-2.085. None of the information for which Applicant claims confidentiality can be found in any format in any other public document.

WHEREFORE, TruComm Corporation respectfully requests that the Commission issue its standard protective order in this proceeding with respect to financial statements to be filed as Exhibit C to TruComm's Application for Certificate of Service Authority.
