2.1. Purchase and Sale of Common Stock. Subject to the adjustment provisions set forth in Section 2.2 and Section 2.3, the purchase price for the Capital Stock (the "Purchase Price") shall be an amount equal to [REDACTED], all of which shall be paid to the Stockholders in accordance with the following:

(a) On the Closing Date, Purchaser shall place in escrow with The Bank of Castile, as escrow agent (the "Escrow Agent"), an amount equal to [REDACTED] in immediately available funds (the "Escrowed Amount"), to secure the indemnification obligations of the Company and the Stockholders under Article IX of this Agreement (the "Purchase Price Escrow"). The Escrow Agent shall hold and release such amounts in accordance with the terms and conditions of the Escrow Agreement in substantially the form attached hereto as Exhibit A (the "Escrow Agreement"), which shall be executed on the Closing Date. The Escrow Funds shall be released in accordance with the following:

(i) on the date which is twelve (12) months from and after the Closing Date an amount equal to [REDACTED] less (A) all amounts previously paid to the Purchaser in satisfaction of claims for indemnification under Article IX hereof, and (B) the amount of all pending and unpaid claims by Purchaser for indemnification under Article IX hereof shall be delivered to the Stockholders *pro rata* according to their respective interests in the Capital Stock as set forth in Schedule 4.1.5 of the Company Disclosure Schedule; and

(ii) on the date which is fifteen (15) months from and after the Closing Date all amounts remaining in the Escrow Account less the amount of all pending and unpaid

claims by Purchaser for indemnification under Article IX hereof shall be delivered to the Stockholders *pro rata* according to their respective interests in the Capital Stock as set forth in Schedule 4.1.5 of the Company Disclosure Schedule.

(b) On the Closing Date, Purchaser shall pay the remainder of the Purchase Price to the Stockholders by the wire transfer of immediately available funds to bank accounts designated by the Stockholders. All such amounts shall be allocated to the Stockholders *pro rata* according to their respective interests in the Capital Stock as set forth in Schedule 4.1.5 of the Company Disclosure Schedule.

2.2. Adjustments to Purchase Price.

(a) At least three Business Days before the Closing, the Company shall prepare and deliver to Purchaser a statement setting forth its good faith estimate of the "net working capital" of the Company as of the Closing Date (the "Estimated Closing Working Capital"), which statement shall contain an estimated balance sheet of the Company as of the Closing Date (without giving effect to the transactions contemplated herein), and a calculation of the Estimated Closing Working Capital (the "Estimated Closing Working Capital Statement"). The Purchase Price shall be (i) increased by the amount by which the Estimated Closing Working Capital exceeds [REDACTED] (the "Net Working Capital Threshold") or (ii) decreased by the amount by which the Estimated Closing Working Capital is less than the Net Working Capital Threshold. For purposes of this Agreement, "net working capital" means the excess of (x) the Company's current assets, over (y) the Company's current liabilities (including any and all accrued but unpaid compensation to employees and other agents of the Company, and accrued but unpaid bonus and unused vacation time), all determined in accordance with GAAP. For the avoidance of doubt, the Company's assets shall include the amount due from Purchaser under Section 6.23, below.

(b) Within sixty (60) days after the Closing, Purchaser will cause the Company to prepare and deliver to the Stockholder Representative a statement setting forth the "net working capital" of the Company as of the Closing Date (the "Closing Working Capital"), which statement shall contain a balance sheet of the Company as of the opening of business on the Closing Date (without giving effect to the transactions contemplated herein) and a calculation of the net working capital as of the opening of business on the Closing Date (the "Closing Working Capital Statement"). The Closing Working Capital Statement will reflect the financial position of the Company as of the Closing Date, and will be prepared in accordance with GAAP. The Stockholder Representative may object to such Closing Working Capital Statement only if, within twenty-one (21) days after the date of delivery of the Closing Working Capital Statement to the Stockholder Representative, such Stockholder Representative gives written notice thereof (i) setting forth the Stockholder Representative's proposed changes to the Closing Working Capital Statement, and (ii) specifying the basis for disagreement with the Closing Working Capital Statement. The failure by the Stockholder Representative to so express disagreement and provide such specification within such 21-day period will constitute the acceptance of the Closing Working Capital Statement and the computation of Closing Working Capital. If Purchaser and the Stockholder Representative are unable to resolve any disagreement between them with respect to the preparation of the Closing Working Capital Statement and the determination of the Closing Working Capital within thirty (30) days after the giving of notice

by the Stockholder Representative to Purchaser of such disagreement, the items in dispute will be referred for determination to a neutral accounting firm with a regional or State-wide practice in the region or State where the Company's principal offices are located and mutually acceptable to both parties or, in the absence of agreement, in accordance with the provisions below regarding the selection of an arbitrator. The determination of any arbitrator or mutually acceptable accounting firm, as the case may be, so selected shall be conclusive and binding upon the parties, and the fees and expense of such arbitrator, or mutually accepted accounting firm, as the case may be, under this Section shall be borne by the Party that the arbitrator or accounting firm, as the case may be, determines to be least correct (in net dollar terms) in its computation of the Closing Working Capital.

(c) In the event that the Stockholder Representative and Purchaser are unable to resolve the Closing Working Capital determination within said thirty (30) day period set forth above, and the parties are unable to select a nationally recognized mutually acceptable accounting firm to resolve the dispute, the dispute shall be resolved by binding arbitration administered by the American Arbitration Association ("AAA") under the Commercial Arbitration Rules then in effect. The Arbitration shall be conducted by a single arbitrator. The parties agree that for any individual to qualify as an arbitrator to hear this dispute, he or she must be a certified public accountant who has not performed accounting or auditing services for Purchaser or any of the Stockholders or any of their respective Affiliates. In considering potential arbitrators, the parties and the AAA shall give preference to individuals who are affiliated with an independent accounting firm of nationally recognized standing. The parties shall endeavor to reach mutual agreement on the identity of an arbitrator. If the parties are unable to do so within twenty (20) days after the expiration of the above-referenced 30-day period, the arbitrator will be selected pursuant to procedures set forth in the Commercial Arbitration Rules then in effect, consistent with the provisions in this paragraph regarding the required and preferred qualifications for an arbitrator. The arbitrator selected shall consider only matters relating to the items in the Closing Working Capital Statement that impact the calculation of the Closing Working Capital and his or her decision with respect to that issue shall be final and binding upon the Stockholders and the Purchaser. Each Party further agrees that the other Party shall not be liable for punitive or exemplary damages and the arbitrator shall have no authority to award the same. The arbitration shall take place in Santa Barbara, California, unless the parties mutually agree on another location.

(d) If it is finally determined that the Closing Working Capital (as determined in accordance with the provisions set forth above):

(i) Is less than the Net Working Capital Threshold, then the amount of the deficiency shall be paid by the Stockholders in cash or other readily available funds within seven (7) Business Days after receipt of written demand therefor. Any amounts that the Stockholders fail to pay to Purchaser within such period of seven (7) Business Days shall accrue interest from the end of such period of seven (7) Business Days until paid at a rate equal to eight percent (8%) per annum.

(ii) Exceeds the Net Working Capital Threshold, then Purchaser shall pay the difference to the Stockholders within seven (7) Business Days thereafter. Any amounts not paid to the Stockholders by Purchaser within such period of seven (7) Business Days shall

accrue interest from the end of such period of seven (7) Business Days until paid at a rate equal to eight percent (8%) per annum.

2.3. Stockholder Representative.

(a) Each Stockholder, for himself or herself and for his or her successors and assigns, hereby irrevocably makes, constitutes and appoints Michael Pfau to act for and on behalf of such Stockholder with respect to any claim or matter arising under this Agreement and the Escrow Agreement (the "Stockholder Representative"), and Michael Pfau hereby accepts such appointment. Each Stockholder acknowledges that the appointment of Michael Pfau as the Stockholder Representative is coupled with an interest and may not be revoked.

(b) In furtherance of the appointment of the Stockholder Representative, each Stockholder, fully and without restriction: (i) agrees to be bound by all notices given and received and agreements and determinations made by and documents executed and delivered by the Stockholder Representative under this Agreement and the Escrow Agreement; and (ii) authorizes the Stockholder Representative to (A) deliver to Purchaser all certificates and documents to be delivered to Purchaser by Stockholders pursuant to this Agreement and the Escrow Agreement, together with any certificates and documents executed by Stockholders and deposited with the Stockholder Representative for such purpose, (B) dispute or refrain from disputing any claim made by Purchaser under this Agreement or the Escrow Agreement, (C) negotiate and compromise any dispute which may arise under this Agreement or the Escrow Agreement, (D) pay any amounts due Purchaser from Stockholders under this Agreement or the Escrow Agreement, (E) exercise or refrain from exercising any remedies available to Stockholders under this Agreement or the Escrow Agreement, (F) sign any releases or other documents with respect to any such dispute or remedy, (G) waive any condition contained in the this Agreement or the Escrow Agreement, (H) give such notices and instructions and do or refrain from doing such other things as the Stockholder Representative, in his sole discretion, deems necessary or appropriate to carry out the provisions of this Agreement or the Escrow Agreement, (I) petition the Escrow Agent for the release of any or all funds due to Stockholders under the Escrow Agreement and, subject to the Stockholder Representative's other responsibilities under this subsection, pay to each Stockholder such Stockholder's pro rata share of such funds, (J) receive all amounts payable by Purchaser to Stockholders under this Agreement or the Escrow Agreement on behalf of Stockholders and, subject to the Stockholder Representative's other responsibilities under this subsection, pay to each Stockholder such Stockholder's *pro rata* share of such amounts, (K) pay out of funds coming into the hands of the Stockholder Representative from Purchaser or the Escrow Agent all fees and expenses of Stockholders (and of the Stockholder Representative acting in such capacity) incurred in connection with the transactions contemplated by the Transaction Documents, including without limitation the fees and expenses of counsel, accountants, investment bankers and other professional advisors retained by or on behalf of Stockholders in connection with such transactions, (L) retain such counsel, accountants and other professional advisors as the Stockholder Representative reasonably deems necessary to assist it in the performance of its duties hereunder and pay the fees, costs and expenses thereof out of the funds coming into the hands of the Stockholder Representative, and (M) retain out of funds coming into the hands of the Stockholder Representative from Purchaser or the Escrow Agent such amounts as the Stockholder Representative, in his sole discretion, deems appropriate to be held as reserves for

expected or potential future expenses or liabilities of Stockholders hereunder. Except for any obligations for which Stockholders are severally, but not jointly, liable, payments made by the Stockholder Representative under this subsection will be considered to be paid by all Stockholders in accordance with their respective pro rata shares. As used in this Agreement, a Stockholder's "*pro rata* share" means such Stockholder's percentage interest in the Common Stock as set forth in Schedule 4.1.5 of the Company Disclosure Schedule.

(c) If the Stockholder Representative resigns, dies or becomes incapacitated, his successor will be appointed within fifteen (15) days of such event by Stockholders owning a majority of the shares of the Company immediately prior to the Closing. The decisions and actions of any successor Stockholder Representative will be, for all purposes, those of the Stockholder Representative as if originally named herein. The death or incapacity of any Stockholder will not terminate the authority and agency of the Stockholder Representative. Any successor Stockholder Representative will provide Purchaser with prompt written notice of its or his appointment.

(d) Purchaser will be entitled to rely exclusively upon any communication given or other action taken by the Stockholder Representative and will not be liable to Stockholders or any other Person for any action taken or not taken in reliance upon the Stockholder Representative. Purchaser will not be obligated to inquire as to the authority of the Stockholder Representative with respect to the taking of any action that the Stockholder Representative takes on behalf of Stockholders.

(e) Stockholders will, severally and not jointly in accordance with their respective *pro rata* shares, indemnify the Stockholder Representative and hold him harmless against any and all loss, liability or expense incurred without gross negligence or bad faith on the part of the Stockholder Representative and arising out of or in connection with his duties as the Stockholder Representative.

2.4. Adjustment for Indebtedness. Notwithstanding any provision to the contrary set forth herein, the parties hereto hereby acknowledge and agree that the Purchase Price to be paid for the Capital Stock is premised upon the Stockholders paying all of the Company's Indebtedness related to (a) any and all Company bank debt, including all operating lines of credit, (b) all retention bonuses including retention bonuses and deferred compensation payments, including payments related to the termination of stock options, that become due by reason of the closing of the transactions contemplated herein, (c) all amounts payable to Blue Beacon Capital by reason of the closing of the transactions contemplated herein, (d) all taxes related to periods prior to the Closing Date, and (e) all "due on sale" bonuses payable to independent sales agents of the Company that become due by reason of the closing of the transactions contemplated herein. At the request of the Stockholders, Purchaser shall pay to the Company a portion of the Purchase Price sufficient to fund the discharge of such Indebtedness and the Company immediately shall pay such amounts directly to whom or which payable. If it is thereafter determined that any such Indebtedness remains unpaid, the Stockholders shall repay Purchaser an amount equal to all such unpaid Indebtedness in cash or other immediately available funds within seven (7) Business Days of the date on which the Stockholders receive written notice thereof, and the amount of such payment shall bear interest from the last day of such period of seven (7) Business Days until the date of payment at an annual rate equal to eight

percent (8%) per annum. For avoidance of doubt, if any of the foregoing payments are made by the Company prior to Closing and such payments are reflected in the calculation of the Closing Working Capital, then such amounts shall not be an adjustment to the Purchase Price.

ARTICLE III CLOSING AND CLOSING DELIVERIES

3.1. The Closing. The closing of the purchase and sale contemplated under this Agreement (the "Closing") shall take place at the offices of Harris Beach PLLC, 99 Garnsey Road, Pittsford, New York, at 10:00 a.m. local time not more than two (2) business days following the satisfaction of all of the conditions set forth in ARTICLE VIII, or at such other time or place, or on such other date upon which the parties shall mutually agree. 6.15. Customer Notice. The Company and Purchaser each hereby consents to the content of and mailing to all of Company's customers, concurrently with the mailing of the Company's bills for the month of June 2010, of the notice attached hereto as Exhibit D and acknowledge that use of such notice is intended solely to comply with the FCC's anti-slamming regulations.

6.16. Substitution of Signer. Purchaser (a) acknowledges that certain individuals (the "Existing Signers") previously have executed and delivered to cognizant Governmental Authorities having jurisdiction over the Company agreeing to be personally liable for sales tax amounts, excise tax amounts and other costs and expenses that the Company may incur in the course of its business in the States, Cities, and other areas over which those cognizant Governmental Authorities have jurisdiction, and (b) agrees to (i) cause a financially responsible Person to execute and deliver to such Governmental Authorities prior to Closing such substitute guaranty, indemnity, bond, or other financial accommodation as such Governmental Bodies may require in order to release the Existing Signers from liability for events and circumstances occurring after the Closing, and (ii) indemnify, defend and hold Stockholders and the Existing Signers (each of whom is an intended third-Person beneficiary of this Section 6.16, and may enforce Purchaser's obligations under this Section 6.16 to the same extent as either Stockholder) free and harmless from and against all claims, costs, damages, and expenses arising from or relating to taxes, fees, interest, and penalties that (A) are attributable to the operations of the Company after the Closing Date, and (B) are asserted against any such Existing Signer (or its heirs, successors or assigns) by reason of such Person's status as an Existing Signer.

6.17. Access to Records. If any Governmental Authority conducts an audit or if any Person asserts a claim with respect to a period for which Stockholders are obligated to provide indemnity under this Agreement, then Purchaser and the Company shall provide Stockholders, the Stockholder Representative, and their agents reasonable access to the books, records, and personnel of the Company to the extent reasonably required to enable them to respond to such audit or claim.

6.18. Nonsolicitation.

6.18.1. Purchaser acknowledges and agrees that (i) the Company has invested and continues to invest substantial resources in training the Company's employees, (ii) because of the difficulty of hiring and retaining talented technical and management employees in Santa Barbara County, the Company would suffer substantial damages if Purchaser were to fail to close the purchase of the Capital Stock and thereafter hire any of the Company's employees or to solicit or induce any such employees to terminate employment with the Company, and (iii) the Company has a legitimate commercial interest in protecting its employment relationships with its employees.

6.18.2. Purchaser agrees that, during the period of twelve (12) months following termination of this Agreement for any reason, Purchaser shall not (other than with the prior written consent of the Company, which consent may be withheld in the sole discretion of the Company) (i) hire any of the employees of the Company who were involved in the negotiations or Purchaser's due diligence investigations related to the transactions contemplated hereunder, or (ii) solicit or induce any such employees to terminate employment with the Company or to commence employment with the other party or any person other than the Company.

6.18.3. Purchaser acknowledges that it is difficult and impracticable to predict with certainty the amount of damages that the Company would suffer if Purchaser breached its covenants under Section 6.18.2, above, and therefore agrees that in the event of any such breach, Purchaser shall pay to the Company liquidated damages in an amount equal to [REDACTED] for each Company employee that Purchaser hires or solicits or induces in violation of Section 6.18.2, above.

6.18.4. If any action is commenced to construe or enforce the provisions of this Section 6.18, then the party prevailing in that action shall be entitled to recover its reasonable attorneys' fees and costs in that action, as well as all reasonable attorneys' fees and costs of enforcing any judgment entered therein.

6.19. Public Announcements.

(a) The initial press release, if any, with respect to the signing of this Agreement or the consummation of the transactions contemplated herein shall be a joint press release mutually acceptable to Purchaser and the Company. Neither Purchaser, the Company nor any Stockholder shall, or shall issue or cause or permit the publication of any other press release or disclosure with respect to this Agreement or the transactions contemplated herein without prior consultation with the other Parties hereto, except (i) the issuance of such press release or disclosure is required by an applicable Law, or (ii) such press release or disclosure does not disclose any material information about the transactions contemplated herein that has not previously been disclosed in a communication permitted or approved pursuant to this Section 6.19. The Company and Purchaser will consult with each other concerning the means by which the Company's employees, customers, suppliers and others having dealings with the Company will be informed of the transactions contemplated herein, and Purchaser will have the right to be present for any such communication. Without limiting the foregoing, at any time

prior to Closing, the Purchaser will not make or attempt to make or announce the intention to make any change to the terms of Stockholder's agent agreements.

(b) Except with the prior written consent of the Stockholders, not to be unreasonably withheld, conditioned or delayed, Purchaser will not contact any of the Company's sales agents, customers, telecommunications carrier vendors or employees of the Company, except that the Purchaser may contact the Company's President or Director of Revenue Assurance to discuss the operations of the Company.

6.20. Stockholder Personal Items. Purchaser (a) acknowledges that the artwork, photographs, and leather couch in the Company's executive office formerly occupied by [REDACTED] belong to the Stockholders, and (b) agrees that the Stockholders, at their sole expense, may remove those items from the Company's Premises not later than two (2) weeks after the Closing.

6.21. Sales Agent Agreements. The Company shall, and the Stockholders shall cause the Company to, use commercially reasonable efforts to cause each independent sales agent having an equity compensation arrangement in his, her or its sales agent agreement to enter into an amendment to such sales agent agreement to remove such equity compensation arrangement and to revise the compensation paid to the independent sales agent by the Company under such sales agent agreement, which amendment shall be in form and substance reasonably acceptable to the Purchaser.

6.22. Employee Severance. The Parties (a) acknowledge that (i) the Company currently employs [REDACTED] pursuant to an Employment Agreement dated July 14, 1997 and January 23, 1998, as amended by an Amendment to Employment Agreement dated January 22, 2007 (as so amended, the [REDACTED]) (ii) [REDACTED] current annual base compensation is [REDACTED] and (iii) under the terms of the [REDACTED] Agreement, if the Company terminates [REDACTED] employment with the Company other than for "Cause" (as defined therein), then the Company is obligated to pay to [REDACTED] severance pay in an amount equal to nine (9) months' base annual compensation, and (b) agree that if, within six (6) months following the Closing Date, the Company terminates [REDACTED] employment with the Company other than for "Cause" (as defined in the [REDACTED] Agreement) such that the Company is obligated to pay severance pay to [REDACTED] under the terms of the [REDACTED] Agreement, then (i) the Stockholders shall pay fifty percent (50%) of the amount of such severance pay, but not more than 50% of [REDACTED] current base annual compensation of [REDACTED] (i.e., $50\% \times 9 \text{ months}/12 \text{ months} \times [REDACTED]$ [REDACTED] contribution by Stockholders), which amount shall be withdrawn from the Purchase Price Escrow held by Escrow Agent, and (ii) the Company and Purchaser shall bear the remainder of the severance pay due to [REDACTED] under the [REDACTED] Agreement.

6.23. Company Lease. The Parties (a) acknowledge that the Company's lease for the premises that the Company currently occupies will expire on December 31, 2010, and it is necessary for the Company to enter into a lease for and occupy, by that date, suitable replacement premises reasonably comparable to that which the Company currently occupies (the "Replacement Premises"), and (b) agree that (i) the Company shall exercise commercially reasonable efforts to locate Replacement Premises situated in Santa Barbara, California (or at a location within twenty (20) miles of the Company's current premises), (ii) the Company shall

keep Purchaser informed of the Company's efforts to locate the Replacement Premises and shall not execute a lease for Replacement Premises without first consulting with Purchaser and affording Purchaser an opportunity to provide input with respect to the location and leasing terms for any Replacement Premises, (iii) Purchaser shall advance to the Company, at Closing, an amount equal to the sum of the costs of any tenant improvements, space planning services, and other reasonable moving and relocation costs that the Company pays or incurs in connection with leasing and relocating to the Replacement Premises, and (iv) the amount of the advance that is due to the Company under the preceding clause "(iii)" shall be included as an asset of the Company in calculating the Company's Closing Working Capital under Section 2.2, above.

ARTICLE VII TAX MATTERS

7.1. Election to Terminate Tax Year. Each of the parties hereto covenants and agrees to execute such documents and take such further actions as may be reasonably required to elect, pursuant to Section 1377(a)(2) of the Code, to allocate the current years income of the Company as if the Tax year consisted of two (2) Tax years, the first of which ends on the date of the Closing.

7.2. Tax Returns. The Purchaser will have the exclusive authority and obligation to prepare and timely file, or cause to be prepared and timely filed, a short year Return for the period commencing January 1, 2010, and ending on the Closing Date (the "Short Year"), *provided that* (a) (i) such Tax Return for that Short Year shall be prepared in a manner consistent with prior-period Tax Returns for the Company, and (ii) prior to filing such Return for that Short Year, the Purchaser shall provide a draft copy of such Return to the Stockholders' certified public accountants a reasonable period prior to the intended filing date, and shall reasonably consider and act upon any input from such certified public accountants, and (b) notwithstanding the foregoing, (i) the Stockholders may deliver to the Purchaser within fifteen (15) days after the Closing a written election to have the Stockholders' own certified public accountants prepare such tax return for that Short Year, and (ii) if the Stockholders timely make that election, then (A) they shall cause their certified public accountants to prepare and timely file such Return and (B) the Stockholders shall provide a draft copy of such Return to the Purchaser a reasonable period prior to the intended filing date, and shall reasonably consider and act upon any input from such certified public accountants. Purchaser and the Stockholder Representative agree to consult and resolve in good faith any objection either has on the proposed Tax Return for the Short Year.

7.3. Apportionment of Taxes. All Taxes and Tax liabilities with respect to the property or operations of the Company that relate to a taxable year or other taxable period beginning before and ending after the Closing Date will be apportioned between the Pre-Closing Tax Period and the Post-Closing Tax Period on the basis of an interim closing of the books as of the date of the Closing. All taxable income of the Company associated with the Short Year shall be allocated to the Stockholders, and the Stockholders shall be responsible and pay all Taxes which are attributable to such taxable income and any other Taxes attributable to any Pre-Closing Tax Period, including any and all Taxes due as a result of the operations of the Business during the Short Year. The Stockholders will reimburse the Company for the payment of all Taxes of the Company which are attributable to any Pre-Closing Tax Period, whether shown on

any original Return or amended Return for the period referred to therein, which, with respect to any such Tax, exceeds the accrual for such Tax set forth in the balance sheet included with the Closing Working Capital Statement. Purchaser will be liable for the payment of all Taxes which are attributable to any Post-Closing Tax Period. All transfer, documentary, sales, use, stamp, registration and value added Taxes imposed on Purchaser or the Company which are incurred in connection with this Agreement will be borne and paid by the Stockholders, when due, and each Stockholder will, at his or her own expense, cause to be filed all necessary Returns and other documentation with respect to all such Taxes and fees.

7.4. Cooperation; Audits. In connection with the preparation of Returns, audit examinations and any administrative or judicial proceedings relating to the Tax liabilities imposed on the Company for all Pre-Closing Tax Periods, Purchaser, on the one hand, and each Stockholder, on the other hand, will cooperate fully with each other, including, but not limited to, the furnishing or making available during normal business hours of records, personnel (as reasonably required), books of account, powers of attorney or other materials necessary or helpful for the preparation of such Returns, the conduct of audit examinations or the defense of claims by Tax Authorities as to the imposition of Taxes. Purchaser shall permit the Stockholders or their representative to participate in any audit of any period ended on or prior to the Closing or including any period prior to the Closing, and shall not settle any audit issues with respect to any such period without the prior written approval of the Stockholders, which approval shall not be unreasonably withheld, conditioned, or delayed.

7.5. Section 338(h)(10) Election. The Company and each Stockholder shall join with the Purchaser in making a timely election under 338(h)(10) of the Code (and any corresponding election under state, local, and foreign tax law) with respect to the purchase and sale of the Shares hereunder (collectively, a "Section 338(h)(10) Election"). Each Stockholder and the Purchaser agree to cooperate in good faith with each other in the preparation and timely filing of any Tax Returns required to be filed in connection with the making of such an election, including the exchange of information and the preparation and filing of Form 8023 and related schedules. The Purchaser and each Stockholder agree to report the transactions contemplated by this Agreement consistently with such elections and shall take no position contrary thereto.

8.1.9. Third-Party Consents; Governmental Approvals. All consents, approvals, waivers and Permits, if any, disclosed or required to be disclosed on any Schedule attached hereto or otherwise required in connection with the consummation of the transactions

contemplated by this Agreement shall have been received. All of the consents, approvals, authorizations, exemptions, waivers and Permits from Governmental Authorities that will be required in order to enable Purchaser to consummate the transactions contemplated hereby shall have been obtained.

8.1.10. Stock Certificates. The Stockholders shall have delivered to Purchaser all of the stock certificates evidencing the Capital Stock, properly endorsed for transfer to, or with duly endorsed Stock Powers transferring the same to, Purchaser.

8.1.11. No Material Adverse Change. Prior to the Closing Date, no event shall have occurred which, individually or when considered together with all other matters, has had or could reasonably be expected to have a Material Adverse Effect.

8.1.14. Section 338(h)(10) Election. The Stockholders shall have made an election under Section 338(h)(10) of the Code and the Treasury Regulations promulgated

thereunder pursuant to which (i) the Company will be deemed to have sold all of its assets to Purchaser and distributed the proceeds to the Stockholders in complete liquidation of the Company, and (ii) the gain recognized by the Company on such deemed sale of assets will pass through to the Stockholders, increasing their tax basis for the Capital Stock, before measuring the Stockholders' resulting gain or loss on the deemed liquidation of the Company. Such 338(h)(10) election shall be made on Internal Revenue Service Form 8023 in accordance with the instructions thereunder.

8.2. Conditions to Obligations of the Company and the Stockholders. The obligations of the Company and the Stockholders to consummate the transactions contemplated hereunder are subject to the satisfaction of the following conditions:

8.2.1. Representations, Warranties and Covenants of Purchaser. The representations and warranties of Purchaser made in this Agreement will be true and correct in all respects (or, if any such representation is not expressly qualified by "materiality," "Material Adverse Effect" or words of similar import, then in all material respects) as of the date hereof and as of Closing, as though made as of the Closing. 8.2.3. Other Agreements. Each of the other agreements contemplated herein, including, without limitation, the Escrow Agreement, shall have been executed by Purchaser or the Company, as the case may be.

8.2.4. Section 338(h)(10) Election. Such 338(h)(10) election shall be made on Internal Revenue Service Form 8023 in accordance with the instructions thereunder.

ARTICLE IX SURVIVAL; INDEMNIFICATION

9.1. Survival. The representations and warranties of the parties contained in this Agreement or in any certificate or other agreement delivered hereunder will survive the Closing until the date which is fifteen (15) months following the Closing Date; *provided, however*, that (i) the representations and warranties contained in Section 4.1.10, Section 4.1.21, Section 4.1.22 and Section 4.1.25 of this Agreement will survive the Closing until sixty (60) days after the expiration of the statute of limitations applicable to the matters covered thereby (or if no

applicable statute of limitations exists, then for a period of three (3) years from and after the Closing Date), (ii) all of the Selected Company and Stockholder Representations and Warranties will survive the Closing indefinitely, and (iii) any claim based on fraud shall survive the Closing indefinitely. Notwithstanding the immediately preceding sentence, any representation or warranty in respect of which indemnity may be sought under this Agreement will survive the time at which it would otherwise terminate pursuant to the immediately preceding sentence if written notice of the inaccuracy or breach thereof giving rise to such right of indemnity shall have been given to the Party against whom such indemnity may be sought prior to such time; *provided, however*, that the applicable representation or warranty will survive only with respect to the particular inaccuracy or breach described in reasonable specificity in such written notice.

9.2. Indemnification.

(a) Each of the Stockholders, jointly and severally, hereby agrees to indemnify, defend and hold harmless Purchaser and its shareholders, Affiliates, successors and assigns against any and all liabilities, damages and losses, and all costs or expenses, including, without limitation, reasonable attorneys' and consultants' fees and expenses (all of the foregoing hereinafter referred to as "Damages"), incurred or suffered as a result of or arising out of (i) any inaccuracy or breach of any of the representations or warranties made by the Company or the Stockholders in this Agreement or executed and delivered by the Stockholders at the Closing in accordance with this Agreement, (ii) the breach of any covenant, obligation or agreement made or to be performed, fulfilled or complied with by the Company or the Stockholders pursuant to this Agreement; (iii) any claim by any current or former shareholder, director, officer or employee of the Company that (A) alleges an act or omission by the Company, any Stockholder and/or the Business at any time prior to the Closing Date or (B) constitutes claims for indemnification under any applicable statute, the articles of incorporation or bylaws of the Company, or any agreement to provide indemnification, to the extent that such claim for indemnification arises out of any action taken in their capacity as an officer or member of the board of directors of the Company at any time prior to the Closing Date, provided that the liability of the Stockholders under this clause (iii)(B) shall not extend to any portion of such claims that is covered by insurance; and (iv) any matter disclosed on Schedule 4.1.10(a)(i) of the Company Disclosure Schedule; *provided, however*, that the Stockholders' liability under clause (i) of this Section 9.2(a) will not exceed, in the aggregate (other than with respect to a breach of any of the representations or warranties set forth in Section 4.1.10, Section 4.1.21, Section 4.1.22 or Section 4.1.25 of this Agreement, an action for or claim of fraud, or a breach of any of the Selected Company and Stockholder Representations and Warranties), an amount (the "Cap") equal to fifty percent (50%) of the Purchase Price, and the Stockholders' liability under clause (ii) of this Section 9.2(a) will not exceed, in the aggregate, the amount of the Purchase Price.

(b) The Stockholders, severally and not jointly, will indemnify, defend and hold harmless Purchaser and its officers, directors, employees, Affiliates, stockholders and agents and the successors to the foregoing (and their respective officers, directors, employees, Affiliates, stockholders and agents) against Damages incurred or suffered as a result of or arising out of (i) any inaccuracy or breach of any representation or warranty made by such Stockholder in any subsection of Section 4.2 of this Agreement, or (ii) the breach of any covenant or agreement made or to be performed, fulfilled or complied with by such Stockholder pursuant to

the terms and conditions of this Agreement, *provided, however*, that the Stockholders' liability under clause (i) of this Section 9.2(a) will not exceed, in the aggregate the portion of the Purchase Price payable to such Stockholder.

(c) Purchaser will indemnify, defend and hold harmless the Stockholders against Damages incurred or suffered as a result of or arising out of (i) any inaccuracy or breach of any representation or warranty made by Purchaser in or pursuant to this Agreement, or (ii) the breach of any covenant or agreement made or to be performed, fulfilled or complied with by Purchaser pursuant to this Agreement; *provided, however*, that the Purchaser's liability under clause (i) of this Section 9.2(c) will not exceed, in the aggregate, the Cap.

9.3. Tax Indemnification. On and after the Closing, the Stockholders will, jointly and severally, indemnify, defend and hold harmless Purchaser against (i) all Taxes (and losses, claims and expenses related thereto) resulting from, arising out of, or incurred with respect to, any claims that may be asserted by any Party based upon, attributable to, or resulting from the failure of any representation or warranty made pursuant to Section 4.1.10 to be true and correct as of the Closing Date, (ii) all Taxes imposed on or asserted against the Company and/or the Purchaser or for which Purchaser or any of its Affiliates may be liable in respect of the Business or the income or operations of the Company for all Pre-Closing Tax Periods, in each instance to the extent in excess of the amount of the accrual therefor on the Closing Working Capital Statement. For the avoidance of doubt, the Stockholders shall not be liable for any Taxes incurred by Purchaser by reason of or related to Purchaser's acquisition of the shares of the capital stock of the Company.

9.4. Procedures.

(a) If any Person who or which is entitled to seek indemnification under Section 9.2 or Section 9.3, above (an "Indemnified Party"), receives notice of the assertion or commencement of any Third-Party Claim against such Indemnified Party with respect to which the Person against whom or which such indemnification is being sought (an "Indemnifying Party") is obligated to provide indemnification under this Agreement, the Indemnified Party will give such Indemnifying Party reasonably prompt written notice thereof, but in any event not later than ten (10) days after receipt of such written notice of such Third-Party Claim. Such notice by the Indemnified Party will describe the Third-Party Claim in reasonable detail, will include copies of all available material written evidence thereof and will indicate the estimated amount, if reasonably practicable, of the Damages that have been or may be sustained by the Indemnified Party. The Indemnifying Party will have the right to participate in, or, by giving written notice to the Indemnified Party, to assume, the defense of any Third-Party Claim at such Indemnifying Party's own expense and by such Indemnifying Party's own counsel (reasonably satisfactory to the Indemnified Party), and the Indemnified Party will cooperate in good faith in such defense.

(b) If, within ten (10) days after giving notice of a Third-Party Claim to an Indemnifying Party pursuant to Section 9.4(a), above, an Indemnified Party receives written notice from the Indemnifying Party that the Indemnifying Party has elected to assume the defense of such Third-Party Claim as provided in the last sentence of Section 9.4(a), the Indemnifying Party will not be liable for any legal expenses subsequently incurred by the Indemnified Party in connection with the defense thereof; *provided, however*, that if the

Indemnifying Party fails to take reasonable steps necessary to defend diligently such Third-Party Claim within ten (10) days after receiving written notice from the Indemnified Party that the Indemnified Party reasonably believes the Indemnifying Party has failed to take such steps or if the Indemnifying Party has not undertaken fully to indemnify the Indemnified Party in respect of all Damages relating to the matter, the Indemnified Party may assume its own defense, and the Indemnifying Party will be liable for all reasonable costs and expenses paid or incurred in connection therewith. Without the prior written consent of the Indemnified Party, the Indemnifying Party will not enter into any settlement of any Third-Party Claim which would lead to liability or create any financial or other obligation on the part of the Indemnified Party for which the Indemnified Party is not entitled to indemnification hereunder, or which provides for injunctive or other non-monetary relief applicable to the Indemnified Party, or, as to matters other than Tax Matters, does not include an unconditional release of all Indemnified Parties. If a firm offer is made to settle a Third-Party Claim without leading to liability or the creation of a financial or other obligation on the part of the Indemnified Party for which the Indemnified Party is entitled to indemnification hereunder and the Indemnifying Party desires to accept and agree to such offer, the Indemnifying Party will give written notice to the Indemnified Party to that effect. If the Indemnified Party fails to consent to such firm offer within ten (10) days after its receipt of such notice, the Indemnified Party may continue to contest or defend such Third-Party Claim and, in such event, the maximum liability of the Indemnifying Party as to such Third-Party Claim will not exceed the amount of such settlement offer. The Indemnified Party will provide the Indemnifying Party with reasonable access during normal business hours to books, records and employees of the Indemnified Party necessary in connection with the Indemnifying Party's defense of any Third-Party Claim which is the subject of a claim for indemnification by an Indemnified Party hereunder.

(c) Any claim by an Indemnified Party on account of Damages which does not result from a Third-Party Claim (a "Direct Claim") will be asserted by giving the Indemnifying Party written notice thereof. Such notice by the Indemnified Party will describe the Direct Claim in reasonable detail, will include copies of all available material written evidence thereof and will indicate the estimated amount, if reasonably practicable, of Damages that have been or may be sustained by the Indemnified Party. The Indemnifying Party will have a period of thirty (30) days within which to respond in writing to such Direct Claim. If the Indemnifying Party does not so respond within such 30-day period, the Indemnifying Party will be deemed to have rejected such claim, in which event the Indemnified Party will be free to pursue such remedies as may be available to the Indemnified Party on the terms and subject to the provisions of this Agreement.

(d) A failure to give timely notice or to include any specified information in any notice as provided in Section 9.4(a), 9.4(b), or 9.4(c), above, will not affect the rights or obligations of any Party hereunder, except and only to the extent that, as a result of such failure, any Party which was entitled to receive such notice was deprived of its right to recover any payment under its applicable insurance coverage or was otherwise materially prejudiced as a result of such failure.

(e) If the Stockholders are the Indemnifying Party under this Section 9.4, then any notice required to be delivered shall be delivered to the Stockholder Representative and the

Stockholder Representative shall have the authority to compromise any such claim on behalf of the Stockholders.

9.5. Limitation of Damages. Notwithstanding any other provision of this Agreement to the contrary, in no event shall any Indemnifying Party be obligated to indemnify the Indemnified Party under this Purchase Agreement for any indirect, special, incidental or consequential damages (including lost profits or loss of goodwill), whether based on contract, tort (including negligence), or any other legal theory, arising out of or related to this Agreement; *provided that*, for the avoidance of doubt, the limitations contained in this Section 9.5 shall not apply to any damages that are paid by the Indemnified Party to a third party pursuant to a Third-Party Claim.

9.6. Escrow Agreement. The Purchaser acknowledges and agrees that in the event it is entitled to indemnification from any Stockholder pursuant to the provisions of this Article IX, it shall recover its Damages from the amount maintained in escrow pursuant to the Escrow Agreement before the Purchaser shall be entitled to recover amounts from any Stockholder, and the Parties hereby covenant and agree to execute and deliver to the Escrow Agent any joint instruction reasonably necessary to cause the Escrow Agent to release the funds from the Escrow Account to pay such Damages.

9.7. Intentionally Deleted.

ARTICLE X TERMINATION

10.1. Termination.

(a) This Agreement may be terminated at any time prior to the Closing:

(i) by the mutual written consent of Purchaser and the Stockholders;

(ii) by Purchaser, upon notice to the Stockholders, if an event occurs which, without any breach by Purchaser of its obligations under this Agreement related to such event, render impossible the compliance with one or more of the conditions to the obligations of Purchaser set forth in Section 8.1 (and such compliance is not waived by Purchaser);

(iii) by the Stockholders, upon notice to Purchaser, if an event occurs which, without any breach by the Company or the Stockholders of their respective obligations under this Agreement related to such event, render impossible the compliance with one or more of the conditions to the obligations of the Stockholders set forth in Section 8.2 (and such compliance is not waived by the Stockholders);

(iv) either:

(1) by Stockholders, upon written notice to Purchaser, if (A) Stockholders and the Company are not then in material default of their respective obligations under this Agreement, (B) Purchaser has materially breached any of its representations, warranties or covenants hereunder, (C) Stockholders deliver to Purchaser a written notice

describing the breach by Purchaser, and (D) Purchaser fails to cure such breach within fifteen (15) days following delivery of that written notice describing the breach; or

(2) by Purchaser, upon written notice to Stockholders, if (A) Purchaser is not then in material default of its obligations under this Agreement, (B) either of the Stockholders or the Company has materially breached any of his, her, or its respective representations, warranties or covenants hereunder, (C) Purchaser delivers to Stockholders a written notice describing the breach, and (D) Stockholders or the Company, as applicable, fail to cure such breach within fifteen (15) days following delivery of that written notice describing the breach.

(v) by Purchaser or the Stockholders if the transactions contemplated hereby have not been consummated on or before the Termination Date.

(b) In the event that this Agreement is terminated pursuant to Section 10.1(a) above, all further obligations of the parties hereto under this Agreement will terminate without further liability or obligation of either Party to the other Party hereunder.

ARTICLE XI MISCELLANEOUS

11.1. Notices. Any notice, request, demand, waiver, consent, approval or other communication which is required or permitted hereunder shall be in writing and shall be deemed given only if (i) delivered personally, (ii) sent by telecopier, facsimile transmission, or other electronic means of written documents, (iii) sent via Federal Express or other overnight delivery service providing a receipt of delivery, or (iv) sent registered or certified U.S. Mail, postage prepaid, to the addresses set forth at the beginning of this Agreement, or to such other address as the addressee may have specified in a notice duly given to the sender as provided herein. Such notice, request, demand, waiver, consent, approval or other communication will be deemed to have been received by recipient as of the date delivered, or if sent by telecopier or facsimile transmission on the date of confirmation of receipt, or if sent via Federal Express or other overnight delivery service, on the first Business Day after the notice was sent, or if mailed via registered or certified mail, on the third day after said notice was mailed.

11.2. Amendments and Waivers.

(a) Any provision of this Agreement may be amended or waived if, but only if, such amendment or waiver is in writing and is signed, in the case of an amendment, by the Purchaser and the Stockholders.

(b) No failure or delay by any Party in exercising any right, power or privilege hereunder will operate as a waiver thereof nor will any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided will be cumulative and not exclusive of any rights or remedies provided by law.

11.3. Expenses. All of the fees and expenses of the Purchaser incident to this Agreement and in connection with the consummation of the transactions contemplated hereby,

including the fees and expenses of any broker, finder, financial advisor, legal advisor or similar person engaged by such Party, shall be paid by Purchaser. All of the fees and expenses of the Stockholders and the Company incident to this Agreement and in connection with the consummation of the transactions contemplated hereby, including the fees and expenses of any broker, finder, financial advisor, legal advisor or similar person engaged by such Party, shall be paid by the Stockholders at or prior to the Closing, provided that Purchaser Agrees to pay the reasonable fees incurred by the Stockholders as a result of Purchaser's counsel drafting a proposed Stock Purchase Agreement relating to this transaction, not to exceed \$2,500.

11.4. Successors and Assigns. The provisions of this Agreement will be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. No Party may assign, delegate or otherwise transfer any of its rights or obligations under this Agreement without the consent of each other Party hereto; *provided, however*, that Purchaser may assign its rights and obligations under this Agreement to an Affiliate of Purchaser.

11.5. No Third-Party Beneficiaries. This Agreement is for the sole benefit of the parties hereto and their permitted assigns and nothing herein expressed or implied will give or be construed to give to any Person, other than the parties hereto and such permitted assigns, any legal or equitable rights hereunder.

11.6. Governing Law. This Agreement will be governed by, interpreted, construed and enforced in accordance with the laws of the State of Delaware, without regard to the conflict of laws rules of such state.

11.7. Jurisdiction. Any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated hereby shall be brought in the Chancery Court of the State of Delaware or the Superior Court of Delaware located in New Castle County, Delaware or in the United States District Court for the District of Delaware located in Wilmington, Delaware. Each of the parties hereto hereby consents to the non-exclusive jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such suit, action or proceeding and irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding which is brought in any such court has been brought in an inconvenient forum. Process in any such suit, action or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any such court. Without limiting the foregoing, each party agrees that service of process on such party as provided in Section 11.1, above, will be deemed effective service of process on such party.

11.8. Counterparts. This Agreement may be signed in any number of counterparts, each of which will be deemed an original and all of which, when taken together, shall constitute one and the same instrument.

11.9. Entire Agreement. This Agreement (including the Schedules and Exhibits hereto) constitutes the entire agreement among the parties with respect to the subject matter of this Agreement. This Agreement (including the Schedules and Exhibits hereto) supersedes all prior

agreements and understandings, both oral and written, between the parties with respect to the subject matter of this Agreement.

11.10. Severability; Injunctive Relief.

(a) The provisions of this Agreement are severable. If any provision of this Agreement is held invalid, illegal or otherwise unenforceable, in whole or in part, the remaining provisions or enforceable parts thereof will not be affected thereby and will be enforced to the fullest extent permitted by law. In addition, should any provision or any portion thereof ever be adjudicated by a court of competent jurisdiction to exceed the time or other limitation permitted by applicable Law as determined by such court in such action, then such provisions will be decreased, or performed to the maximum time or other limitations prescribed by applicable Law, the parties acknowledging their desire that in such event such action be taken.

(b) The parties acknowledge and agree that the provisions of Section 6.6, above, are reasonably necessary to protect the legitimate interests of Purchaser, its Affiliates and their businesses and that any breach or threatened breach of Section 6.6 will result in irreparable injury to Purchaser, and its Affiliates, the exact amount of which will be difficult to ascertain and the remedies at Law for which will not be reasonable or adequate compensation to Purchaser and its Affiliates for such a violation. Accordingly, the Stockholders agree that if any of the Stockholders violates or threatens to violate any of the provisions of Section 6.6, in addition to any other remedy available at law or in equity, Purchaser will be entitled to seek specific performance or injunctive relief without posting a bond or other security therefor, and without the necessity of proving actual damages.

11.11. No Waiver. No action or inaction taken or omitted pursuant to this Agreement will be deemed to constitute a waiver of compliance with any representations, warranties or covenants contained in this Agreement and will not operate or be construed as a waiver of any subsequent breach, whether of a similar or dissimilar nature.

11.12. Certain Interpretive Matters.

(a) Unless the context otherwise requires, (i) all references to Sections, Articles, Schedules or Exhibits are to Sections, Articles, Schedules or Exhibits of or to this Agreement, (ii) each of the Schedules will apply only to the corresponding Section or Subsection of this Agreement, except that an item set forth on a Schedule may be deemed to be disclosed on another Schedule if the disclosure relating to such item is on its face expressly responsive to the representation and warranty to which such Schedule relates, it being understood that the foregoing exception will not be deemed to include any facts or circumstances derived from, or not otherwise expressly set forth in the disclosure with respect to such Scheduled item, (iii) each term defined in this Agreement has the meaning assigned to it, (iv) each accounting term not otherwise defined in this Agreement has the meaning assigned to it in accordance with GAAP, and (v) words in the singular include the plural and vice versa.

(b) No provision of this Agreement will be interpreted in favor of, or against, any of the parties hereto by reason of the extent to which any such Party or its counsel

participated in the drafting thereof or by reason of the extent to which any such provision is inconsistent with any prior draft hereof or thereof.

(c) All references to the "Knowledge of the Company," "knowledge of the Stockholders," or to words of similar import will be deemed to be references to the actual knowledge of any of the Stockholders, or one or more officers or directors of the Company, which knowledge will include such knowledge as the Stockholders, officers or directors would have had after due inquiry, including due inquiry of the Company's counsel and accountants. All references to the "knowledge of Purchaser" or to words of similar import will be deemed to be references to the actual knowledge of Purchaser after due inquiry, which knowledge will include such knowledge as such Purchaser would have had after due inquiry of the Purchaser's counsel and accountants.
