STAFF RECOMMENDATION

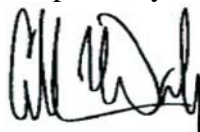

COMES NOW the Staff of the Missouri Public Service Commission and for its recommendation states:

1. On September 10, 2009, CenturyTel Fiber Company II, LLC (“the Company”) notified the Commission that it wished to change the fictitious name under which it does business in Missouri to LightCore, a CenturyLink company. The Company’s letter included documentation from the Missouri Secretary of State showing the Company’s ability to lawfully use the new LightCore, a CenturyLink company name, a discussion of the notice to customers and reference to the adoption notice and tariff title pages reflecting the new name.

2. Rule 4 CSR 240-2.060 establishes filing requirements for certificated company name changes; as noted in the Staff Recommendation, attached hereto as Attachment A, the Company has complied with the rule. No entities intervened to oppose the name change. The Company is not delinquent in any required filings with the Commission. The filed revised tariff sheets are compliant with Commission rules.

WHEREFORE, the Staff recommends that the Commission issue an Order Recognizing the Fictitious Name, acknowledging the fictitious name under which the Company does business as LightCore, a CenturyLink company, and either approve the revised tariff sheets under tracking numbers YX-2010-0181, YX-2010-0182 or allow them to go into effect by operation of law.
