Re: TC-2007-0111, Notice of Ex Parte Contact

Dear Secretary Dale:

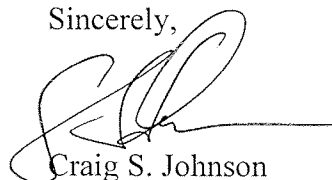

I am reporting this Notice of Ex Parte Contact pursuant to §386.210 RSMo, and pursuant to 4 CSR 240-4.020. This case is currently scheduled for hearing.

On behalf of my clients, who have intervened in this proceeding, I attended a legislative meeting at the Missouri Cable Telecommunications Association to discuss 2007 HB 1033. Present at the meeting were Representative Ed Emery, Chairman Jeff Davis, Tim Leahy, Craig Unruh, John Sondag, Chuck Simino, Ric Telthorst, Trip England, Rick Wolfe, Jim Burt, John Jones, Greg Harrison, Bill Gamble, Gary Burton, and myself.

During the course of these legislative discussions, this docket and the related federal court proceedings were mentioned in the presence of Chairman Davis, as part of the history underlying the proposed legislation. Docket TE-2006-0415 was also mentioned.

To my recollection no comment made in the presence of Chairman Davis addressed the merits of specific facts, evidence, claims, or positions presented or taken in this proceeding.

Sincerely,

Craig S. Johnson
