ORDER GRANTING MOTION FOR EXTENSION OF TIME

Issue Date: April 27, 2007 Effective Date: April 27, 2007

On April 18, 2007, the Missouri Public Service Commission directed that Davidson Telecom, LLC file, by April 26, its answer to the Staff of the Commission's amended complaint. On April 26, 2007 Davidson filed a request to extend the time by which it must file its answer to May 3, 2007.

Under Commission rule 4 CSR 240-2.050(3)(A), the Commission has the discretion to enlarge the time by which an act must be done when the request for enlargement is made prior to the expiration of period in which the act must have been done. Davidson made its request *on* April 26. The Commission may therefore exercise its discretion in granting the requested relief. Finding Davidson's request reasonable, the Commission will grant the requested relief.

IT IS ORDERED THAT:

1. Davidson Telecom, LLC's motion for an extension of time, to May 3, 2007, by which Davidson must file an answer to the Staff of the Commission's amended complaint, is granted.

2. This order shall become effective on April 27, 2007.
