Effective Date: September 21, 2009

On September 11, 2009, AT&T Communications of the Southwest, Inc., and Southwestern Bell Telephone Company, d/b/a AT&T Missouri, filed a motion requesting that the Commission suspend and investigate the access service tariff submitted by Sprint Communications Company L.P. on August 20, 2009. The Commission set a time for responses to the motion. Sprint, however, withdrew its tariff filing on September 18, 2009, making the motion and the need for responses moot. The withdrawal notice was submitted in the tariff portion of the Commission's Electronic Filing and Information System (EFIS) and is attached to this order. Since the tariff has been withdrawn, no action by the Commission is necessary. Therefore, the Commission shall close the file.
