STAFF SUBMISSION

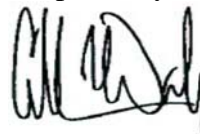

COMES NOW the Staff of the Missouri Public Service Commission and for its submission states:

1. On July 13, 2011, the Commission established this docket as a repository file for documents and comments concerning a possible rulemaking to modify current requirements for designation as an eligible telecommunications carrier, particularly as it relates to applications for designation to receive low-income support.

2. The Staff would like to place three documents in the file, and asks that they be entered as separate items in this matter so that they can be more easily found by interested persons. Those items are 1) a clean copy of the proposed rule, 2) a clean copy of the rule with proposed changes marked and 3) the projected fiscal impact of the rule.

WHEREFORE, the Staff submits the attached documents and asks that they be entered as separately numbered and identified in EFIS.

Respectfully submitted,

Colleen M. Dale
