RE: Tracking No. YE-2021-0104
File EE-2019-0382

Dear Mr. Woodruff:

On October 28, 2020, Union Electric Company d/b/a Ameren Missouri (Ameren Missouri or the Company) filed the tariff sheet listed below as a revision of Schedule No. 6, Schedule of Rates for Electricity:

Filed
4th Revised Sheet No. 63

Canceling
3rd Revised Sheet No. 63

The purpose of the proposed tariff revision was to modify the Opt-Out Charges that apply to those customers that elect to have non-communicating meters in lieu of Ameren Missouri's current AMI meter deployment, consistent with the Unanimous Stipulation and Agreement approved by the Missouri Public Service Commission ("Commission") in File No. EE-2019-0382. The Commission directed Staff to make a recommendation regarding this Tariff no later than November 5, 2020. After discussions with Staff, Ameren Missouri determined it would be appropriate to withdraw the proposed tariff to further modify the language contained in the tariff to address additional matters related to AMI deployment.

Sincerely,

Paula N. Johnson
