2. APPLICATION OF TARIFF

The service rates and regulations set forth in this Tariff are for the provision of interexchange intrastate telecommunications services and dedicated, non-switched local exchange private line telecommunications services for business customers by K-POWERNET, L.L.C.

The Company may from time to time, engage in special promotional offerings designed to attract new customers or to promote existing services. Such promotional service offerings shall be subject to specific dates, times, and/or locations, and shall be subject to prior notification to and approval by the Commission.

3. DEFINITIONS

As used in this Tariff, the following terms shall have the following meanings unless the context otherwise require:

- A. Bit - The smallest amount of information in the binary system of notation.
- B. Cable Facilities - A coaxial and or fiber optic cable network with associated repeater amplifiers and coupling devices which provides the path for transmission of signals to or from the Customer's or User's Premises.
- C. Customer - The person, firm, corporation or other legal entity which contracts with the Company to receive telecommunications services from the Company.
- D. Circuit - A communications path of a specific bandwidth or transmission speed between two or more points of termination.
