## ORDER DIRECTING FILING OF STATUS REPORT

Issue Date: November 25, 2009

Effective Date: November 25, 2009

On November 3, 2009, Big River Telephone Company, LLC, filed tariff sheets (Tariff No. YL-2010-0326) designed to introduce foreign exchange service as a new service offering. The tariff sheets bear an effective date of December 7, 2009. Big River also filed a motion for expedited treatment of the tariff filing. Chariton Valley Telephone Corporation filed an objection to the motion for expedited treatment, an application to intervene, a motion to reject the tariff as moot, and a motion to suspend and investigate the tariff. On November 18, 2009, Big River, Chariton Valley, and the Commission Staff met in a prehearing conference. At the conclusion of the on-the-record portion of the conference, the companies believed that their discussions that day might lead to a settlement of the issues between them. On November 23, 2009, Big River filed substitute tariff sheets.

Because the tariff effective date is fast approaching, the Commission will direct the companies and Staff to jointly or separately file a status report. The companies' reports shall include a statement as to whether they have reached an agreement concerning Big River's tariff filing and whether they wish to continue their current requests for relief. Staff's status report shall state whether, absent an objection from Chariton Valley, this tariff is the type of tariff that would require Commission approval, or whether Staff recommends

the tariff be allowed to become effective by operation of law. Staff's report shall also state any objection it has to the tariff, or the earliest date on which it can make a recommendation.

**THE COMMISSION ORDERS THAT:**

1. Big River Telephone Company, LLC, Chariton Valley Telephone Corporation, and the Staff of the Commission shall, jointly or separately, file a status report in this matter no later than 12:00 p.m. on November 30, 2009.
2. This order shall become effective upon issuance.
