Applications for Expanded Local Calling Area Plans)

NOTICE CLOSING CASE

Issue Date: August 17, 2007

The Commission's Order of Rulemaking adopting 4 CSR 240-2.061, Filing Requirements for Applications for Expanded Local Calling Area Plans Within a Community of Interest, was published in the September 15, 2005 *Missouri Register*. The rule became effective on October 30, 2005, 30 days after its publication in the *Code of State Regulations*.

Section 536.200.2, RSMo 2000, requires agencies to make a filing with the Secretary of State if, after the first full fiscal year after implementation, the cost of the rule has exceeded the agency's estimate. The first full fiscal year after this rule became effective began July 1, 2006, and ended June 30, 2007. On August 15, 2007, the Staff of the Commission filed its Fiscal Note Review Memorandum. Staff's investigation indicates that there have been no costs associated with the implementation of this rule. Therefore, no *Missouri Register* publication is required under Section 536.200.2.

There now remains no further action by the Commission. This case shall be closed.
