OFFICERS

- 1. Report below the name, title, office address, and salary for the year of each general officer of the respondent. Report the information also for each other employee whose annual salary is \$25,000 or more.
- 2. If any officer or other employee reported in this schedule received remuneration from respondent, directly or indirectly, other than the salary reported in column (d), such as commissions, bonuses, shares in profits, moneys paid, set aside or accrued pursuant to any pension, retirement, savings or similar plan (exclusive of plans qualified under Section 401 of the Internal Revenue Code of 1954) including premiums paid for retirement annuities, or life insurance where the respondent is not the beneficiary, or any other advantageous arrangement which constitutes a form of compensation, give the essentials of the plan not previously reported, the basis of determining the ultimate benefits receivable, and the payments or provisions made during the year with respect to each person reported herein. If the word "none" correctly states the facts with respect to the matters referred to in this instruction, so state:

payments or provisions made during the year with respect to each person reported herein. If the word "none" correctly states the facts with respect to the matters referred to in this instruction, so state: Response omitted per instructions in 7.
State the annual Benefits estimated to be payable to each of the three highest paid officers named herein in the event of retirement at normal retirement date pursuant to any pension or retirement plan: Response omitted per instructions in 7.
Describe all transactions since the beginning of the year in which any person who was an officer of the respondent at any time during the year received remuneration, directly or indirectly, from the respondent in the form of securities, options, warrants, rights or other property, or through the exercise or disposition thereof. If the response "none" correctly states the facts with respect to the matters referred to in this instruction, so state: Response omitted per instructions in 7.
State briefly any arrangement under which any officer is insured or indemnified against liability, which he may incur in his capacity as an officer. If there are no such arrangements, so state: Response omitted per instructions in 7.
If a change was made during the year in the incumbent of any position, show name and address and total remuneration of the previous incumbent and date change in incumbency was made: Response omitted per instructions in 7.
Utilities which are not required to file copies of this report with the Securities and Exchange Commission may omit the data called for by Instructions 2, 3, 4, and 5. Omission of responses to such instructions for this reason should be stated: Response omitted per instructions.

Title (a) President	Name of Officer (b) Vernon L. Stump	Principle Business Address (City and State) (c) Lake Ozark, MO	Salary for <u>Year</u> (d) \$1,642.00
Vice President	Robert P. Schwermann	Lake Ozark, MO	0

DIRECTORS

Report below the information called for concerning each director of the respondent who held office at any time during the year. Include in column (a), abbreviated titles of the directors who are officers of the respondent.

If any of the instructions 2, 3, 4, 5 of the schedule, Officers, is applicable with respect to any directors who is not an officer, Furnish responses concerning the matters referred to in those instructions. If the matters referred to in those instructions are not applicable, or if the reporting of this information is not required because of Instructions 7 of Officers, Page F-2, so state.

No response necessary

Members of the Executive Committee should be designated by an asterisk and the Chairman of the Executive Committee by a double asterisk.

CORPORATE CONTROL OVER RESPONDENT

Did any corporation or corporations hold control over the respondent at the close or the year? YES If control was so held state:
(a) The form of control, whether sole or joint: SOLE
(b) The name of the controlling corporation or corporations:
NORTH SUBURBAN PUBLIC UTILITY CO.
(c) The manner in which control was established: PURCHASE OF STOCK
(d) The extent or control: CORPORATION OWNS 93% OF ISSUED AND OUTSTANDING SHARES (837 SHARES)
(e) Whether control was direct or indirect: DIRECT
(f) The name or names of the intermediary or intermediaries through which control, if indirect, was established (see Note) NONE
Did any individual. association. or corporation hold control, as trustee, over the respondent at the close of the year, NO
If control was held, state:
(a) The name of the truest:
(b) The name of the beneficiary or beneficiaries for whom the trust was maintained:
(c) The purpose of the trust:

Note: In cases where control of the respondent is in a holding company, a statement should be submitted showing the intermediate chain of owner or control to the main parent company.

INTERCORPORATE TRANSACTIONS

If, during the year, any account was charged, with an amount, which was paid or credited to an affiliated company, the account or accounts affected, the respective amounts involved, and the name of the affiliated company should be given as indicated

SECURITY HOLDERS AND VOTING POWER

- (A) Give the names and address of the ten security holders of the respondent who, at the date of the latest closing of the stock book or compilation of list of stockholders of the respondent, prior to the end of the year, had the highest voting powers in the respondent, and state the number of votes which each would have had the right to cast on that date if a meeting were then in order. If any such holder held in trust, give in a footnote the known particulars of the trust (whether voting trust, etc), duration of trust, and principal holders of beneficiary interests in the trust. If the stock book was not closed or a list of stockholders not compiled within one year prior to the end of the year, or if since the previous complication of a list of stockholders, some other class of security has become vested with voting rights, then show such ten security holders as of the close of the year. Arrange the names of the security holders in the order of voting power, commencing with the highest. Show in column (a) the titles of officers and directors included in such list of ten security holders.
- (B) Give also the voting powers resulting from ownership of securities of the respondent of each officer and director not included in the list of ten largest security holders.
- If any security other than stock carries voting rights, explain in a supplemental statement the circumstance whereby such security became vested with voting rights of such security. State whether voting rights are actual or contingent and if contingent, describe the contingency,
- If any class or issue of security has any special privileges in the election of directors, trustees or managers, or in the determination of corporate action by any method, explain briefly.

runnish particulars concerning any options, warrants, or rights
outstanding at the end of the year for others to purchase securities
of the respondent or any securities or other assets owned by the
respondent, including prices, expiration dates, and other material
information relating to exercise of the options, warrants, or rights.
Specify the amount of such securities or assets so entitled to be
purchased by any officer, director, associated company, or any of
the ten largest security holders. This instruction is inapplicable to
convertible securities or to any securities substantially all of which
are outstanding in the hands of the general public where the
options, warrants, or rights were issued on a prorate basis.
Give date of the latest closing of the stock book prior to end of
year, and state the purpose of such closing:

6.	State the total number of votes cast on the latest general meeting
	prior to the end of the year for election of directors of the
	respondent and number of such votes cast by proxy:
	Total:

	By Proxy:	
7.	Give the date and place of such meeting:

IMPORTANT CHANGES DURING THE YEAR

Hereunder, give particulars concerning the matter indicate below. Make sure the statements explicit and precise and number them in accordance with the inquiries. Each inquiry should be answered. If "none "or not applicable" state the fact, that response should be made. If information, which answered an inquiry, is given elsewhere in the report, reference to the schedule in which it appears will be sufficient.

- Change in and important additions to franchise rights: Describe the actual consideration given therefore and state from whom the franchise rights were acquired. If acquired without the payment of consideration, state that fact.
- Acquisition of ownership in other companies;
 Reorganization, merger, or consolidation with other
 Companies; Give names of companies involved, particulars concerning the transaction, name of the Commission authorizing

the transactions, name of Commission authorization.

- 3. Purchase or sale of an operation unit or system: Give a brief description of the property, and of the transactions relating thereto, and reference to Commission authorization, if any, was required. Give date journal entries called for by the Uniform System of Accounts was submitted to the Commission.
- 4. Important leaseholds that have been acquired or given assigned or surrendered; Give effective dates, lengths of terms, names of parties, rents, and other conditions. State name of Commission authorizing lease and give reference to such Authorization.

- 5. Important extension or reduction of transmission or Distribution system: State territory added or relinquished and date operations began or ceased and give reference to Commission authorization, if any was required. State also the Approximate number of customer has added or lost and approximate numbers of customer has added or lost and approximate annual revenue of each class of service.
- 6. Obligation incurred or assumed by respondent as guarantor for the performance by another of any agreement or obligation, excluding ordinary Commercial paper maturing on demand or not later than one year after date of issue. State on behalf of whom the obligation was assumed and amount of the obligation. Give reference to Commission authorization if any was required.
- Change in articles of incorporation or amendments to charter: Explain the nature and purpose of such changes or amendments.
- 8. State the estimate annual effect and nature of any important wage scale changes during the years.
- State briefly the status of any materially important legal proceedings pending at the end the year, and the results of any such proceedings culminated during the year.
- 10. Describe briefly any materially important transactions of the Respondent not disclosed elsewhere in this report in which an officer, Director, security holder, voting trustee, associated company or known Associated company or known associate of any of these persons was a Company or known associate of any of these persons was a party or in which any such person had a material interest.

1	
2	During 2002, Robert Schwermann purchased 63 shares from Roger Sallee
3	
4	At the end of 2002, North Suburban Public Utility Company, Inc. owned 93% of the shares
5	and Robert Schwermann owned 7% of the shares (Total Shares 900 Issued and Outstanding)

NOTES TO BALANCE SHEET

- 1. The space below is provided for important notes regarding the balance sheet or any account thereof.
- 2. Furnish particulars as to any significant contingent assets or liabilities existing at end of year, including brief explanation of any action initiated by the Internal Revenue Service involving possible assessment of additional income taxes of material amount, or of a claim for refund of income taxes of a material amount initiated by the utility. Give also, a brief explanation of any dividends in arrears on cumulative preferred stock.
- 3. For Account 116, Utility Plant Adjustments, explain the origin of such amounts, and plan of disposition contemplated,
- give references to commission orders or other authorizations respecting classification of amounts as plant adjustments and requirements as to disposition thereof.
- 4. Give a concise explanation of any retained earnings restrictions and state the amount of retained earnings affected by such restrictions.
- 5. If the notes to the balance sheet relating to the respondent company appearing in the Annual Report to the Stockholders are applicable in every respect and furnish the data required by Instructions 2, 3, and 4 above, such notes may be attached hereto.

Ozark Shores Water Company For the Year Ending December 31, 2002

INVESTMENT TAX CREDITS GENERATED AND UTILIZED

- This schedule shall be prepared by the reporting company regardless of the method of accounting adopted for the investment tax, credits. By footnote state the method of accounting adopted, and whether the company has consented to pass the entire amount of tax credits on to customers in the year used to reduce taxes and if so, state the amount of such credits, passed on.
- As indicated in Column (a), the schedule shall show each year's activities commencing with 1962 and shall separately identify the data for the various rates.
- Report in Column (b) the amount of investment tax credits generated form properties acquired for use in public utility operations and report in Column (c) the amount of such generated credits utilized in computing the annual income taxes. If there

- are other utility or non-utility operations, show any applicable generated and utilized investment tax credits in a footnote. Also explain by footnote any adjustment to Columns (b), (c), and (d) such as for corrections, etc., or carry back or unused credits.
- Report in Column (d) the weight-average useful life of all properties used in computing the investment tax credits in Column (b).
- Show by footnote any unused credits available at end of each year for carry forward as a reduction of taxes in subsequent years.
- Separate amounts according to classification of utility using as additional page if necessary

GAIN OR LOSS ON DISPOSITION OF PROPERTY (ACCOUNTS 414-422)

1. Give a brief description of property creating the gain or loss. Include name of party acquiring the property (when acquired by another utility or associated company) and the date transaction was completed. Identify property by type; leaded, held for future use or non-utility.

2. Individual gains or losses relating to property with an original cost of less than \$50,000 may be grouped, with the number of such transactions disclosed

in Column (a).

3. Give the date of Commission approval of journal entries in Column (b), when approval is required. Where approval is required but has not been received, give explanation following the item in Column (a). (See Account 106, Utility Plant Purchased or Sold).

DISTRIBUTION OF SALARIES AND WAGES

Report below the distribution of total salaries and wages for the year. Amounts originally charged to clearing accounts should be segregated as to Utility Departments, Constructions, Plant Removal, and Other Accounts, and shown in the appropriate lines and spaces provided for such amounts. In determining this segregation of salaries and wages originally charged to clearing accounts a method of approximation, giving substantially correct results may be used.

FEET OF TRANSMISSION AND DISTRIBUTION MAINS

Explain any important items included in Column (h).
 New mains are those laid primarily for the purpose of serving new customers: Replacements are mains laid to serve customers already receiving water service regardless of the size of mains replaced.
