NOTICE OF DISMISSAL

COMES NOW, the Midwest Energy Consumers’ Group (“MECG”), pursuant to 4 CSR 240-2.116(1), and respectfully provides Notice of Dismissal of its Complaint in the above-captioned docket.

1. On October 11, 2016, MECG filed its Complaint against Westar Energy, Inc.

2. 4 CSR 240-2.116(1) provides:

An applicant or complainant may voluntarily dismiss an application or complaint without an order of the commission at any time before prepared testimony has been filed or oral evidence has been offered by filing a notice of dismissal with the commission.

3. Based upon information provided to MECG through discovery, MECG now wishes to dismiss this matter against Westar Energy. To date, no testimony has been filed or oral evidence offered in this docket. As such, dismissal without an order of the commission is appropriate. It is important to note that, while MECG is dismissing this docket (EC-2017-0106), this notice of dismissal has no impact on a similar complaint filed on the same day against Great Plains Energy (EC-2017-0107).

WHEREFORE, MECG respectfully provides notice of its dismissal in the above-captioned docket.

Respectfully submitted,
