Charges for Customer in the St. Charles District	)	Tariff No. YW-2011-0029

**ORDER APPROVING TARIFF  
IN COMPLIANCE WITH COMMISSION ORDER**

Issue Date: July 15, 2010

Effective Date: July 25, 2010

On July 7, 2010, the Commission issued an order allowing Missouri-American Water Company to waive a connection charge for a customer, namely Taco Bell Restaurant #2956. As required by Missouri-American's tariff, the Commission directed the company to file a revised tariff, listing Taco Bell #2956 as a customer whose connection charge has been waived. The Commission also directed the Staff of the Commission to file a pleading informing the Commission that Missouri-American has complied with the Commission's order by revising the appropriate tariff sheet.

On July 14, Missouri-American filed a revised tariff sheet. According to the Commission's order, Staff is now required to file a pleading as described above. However, the simplicity of the tariff revision obviates the need for Staff's recommendation. The Commission has reviewed the tariff sheet and notes that Taco Bell Restaurant #2956 is listed as a customer whose service connection charge has been waived. The relevant case number wherein the waiver was granted is also listed.

The Commission finds that the tariff revision is in compliance with the Commission's order and the tariff sheet will be approved.
