**SECTION 1 - TECHNICAL TERMS AND ABBREVIATIONS, (CONT'D.)**

Intrastate Message Telecommunications Service ("MTS") - The term "Intrastate Message Telecommunications Services" denotes the furnishing of direct dialed and operator assisted intrastate switched service to the Customer for the completion of long distance voice and dial-up low speed data transmissions over voice grade channels between points wholly within the state of Missouri.

Local Exchange Carrier ("LEC") - The term "Local Exchange Carrier" denotes any telephone company that provides local telephone service to Customers within a defined area.

Measured Charge - A charge assessed on a per minute or incremental basis in calculating a portion of the charges due for a completed call.

Operator Assisted Call - An intrastate telephone connection completed through the use of the Company's operator.

Operator Service Charge - A non-measured (fixed) charge that is added to a measured charge in calculating the total tariff charges due for a completed Operator Assisted call.

Operator Services - Any telecommunication service that includes, as a component, any automatic or live assistance to a Customer or its Authorized User to arrange for billing or completion, or both, of an intrastate interLATA telephone call through a method other than:

- (i) automatic completion with billing to the telephone from which the call originated;  
or
- (ii) completion through an access code used by an Authorized User, with billing to an account previously established with the carrier by the Authorized User.
