Disconnection or Suspension of Telephone Service

Your telephone service is subject to disconnection or suspension for any of the reasons listed below. If you do not resolve the reason for disconnection or suspension, your service may first be suspended. If service is suspended, your telephone number is reserved for five days, and can be reconnected within that time for a restoration charge of \$25.00 as described in the "Reconnection of Service" section of this Information Bulletin. If the reason for suspension has not been resolved within the 5-day period of suspension, your service will be disconnected. If service is disconnected, a new telephone number will be assigned and you will be again required to pay a \$20.00 Service Reconnection Charge under the "Reconnection Of Service" section of this Information Bulletin.

Your service may be disconnected for any of the following reasons:

1. Nonpayment of an undisputed delinquent account. Your service will not be discontinued for nonpayment of a delinquent charge until five days after a charge has become delinquent. Additionally, SouthWest TeleConnect will make reasonable efforts to contact you at least 24 hours in advance prior to disconnecting your telephone service.
2. Unauthorized use of telephone utility equipment in a manner which creates an unsafe condition or creates the possibility of damage or destruction to such equipment.

5. Incurs charges and evidences an intent not to pay such charges when due.
