MOTION FOR EXTENSION

COMES NOW the Staff of the Missouri Public Service Commission, by and through counsel, and for its *Motion for Extension* in this matter hereby states:

1. Terre Du Lac Utilities Corporation (“Terre Du Lac”) filed an *Application and Motion for Waiver* asking the Commission to authorize the company to encumber its utility assets to secure a loan for improvements to its water and sewer systems.

2. Staff issued several data requests (“DR”) to Terre Du Lac, for which the company’s responses required follow-up DRs. Presently, Staff’s recommendation to the Commission is due October 6, 2017, however, Terre Du Lac’s responses to these follow-up DRs are necessary to Staff’s recommendations and are due October 23, 2017.

WHEREFORE, Staff asks the Commission to grant an extension of its requirement to file a Staff recommendation from October 6, 2017 to October 31, 2017; and grant such other and further relief as the Commission considers just in the circumstances.

Respectively submitted,

/s/ Whitney Payne
