Case No. GM-94-252

**ORDER APPROVING TARIFFS**

On December 16, 1994, and December 22, 1994, the Commission issued orders providing for the acquisition of Missouri Pipeline Company by UtiliCorp United, Inc. In those orders the Commission also provided for the filing of tariffs for operation of that pipeline by UtiliCorp. On January 3, 1995, UtiliCorp filed a tariff sheet designed to comply with the Commission's order by adopting the tariffs currently on file for Missouri Pipeline Company. The proposed adoption tariff has an effective date of January 5, 1995.

On January 3, 1995, the Staff of the Commission filed its recommendation in this matter. The Staff stated that UtiliCorp will retain the name Missouri Pipeline Company for this subsidiary. The Staff recommended approval of the proposed tariff, finding it consistent with the Commission's various orders in this case.

The Commission has reviewed the proposed tariff filing of January 3, 1995, and found it to be reasonable and in compliance with the

f

Commission's orders of December 16 and 22, 1994. The Commission will, therefore, approve the tariff filing for service on or after January 5, 1995.

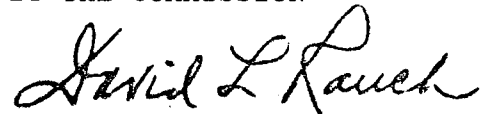

IT IS THEREFORE ORDERED:

1. That the following tariff sheet, filed January 3, 1995, by Missouri Pipeline Company, is approved for service on or after January 5, 1995:

P.S.C. MO. No. 2  
Original Sheet No. Index-i

2. That this order shall become effective on January 5, 1995.
