On April 30, 2008, The Raytown Water Company filed an application for authority to issue Water Facilities Refunding and Improvement Bonds, Series 2008. To facilitate its consideration of the application, the Commission directed its Staff to file either a recommendation or a status report indicating when it would be able to file a recommendation.

On June 2, 2008, Staff filed its response. Staff noted that Raytown Water's application was deficient in that it lacked certain financial documents required by 4 CSR 240-3.615. On June 3, 2008, Raytown Water filed Exhibits D and E to its application.

The Commission will establish June 20, 2008, as the filing deadline for Staff's recommendation or for a further status report.
