JOINT MOTION TO MODIFY PROCEDURAL SCHEDULE

COMES NOW the Staff of the Missouri Public Service Commission ("Staff"), on its own behalf and on behalf of Timber Creek Sewer Company ("Timber Creek"), Hunt Midwest Real Estate Development, Inc. ("Hunt Midwest"), and the Office of the Public Counsel ("OPC"), being all of the parties in this case, and moves the Commission for its order modifying the procedural schedule in this case.

On November 7, 2007, the Commission issued its Order Adopting Procedural Schedule, in which, among other things, it ordered Timber Creek and the Staff to file their Direct Testimony in this case by no later than December 14, 2007.

There is only one remaining issue in this case, to-wit: Timber Creek's request to change the amount of the Contributions in Aid of Construction connection fee. The parties have been negotiating on this issue and those negotiations are expected to continue through the coming week. If an agreement is reached, there will be no need to file direct testimony, or any other testimony, in this case.

The parties therefore unanimously request that the Commission modify the procedural schedule in this case by extending the date by which Timber Creek and the Staff must file direct testimony by one week, to December 21, 2007, and by extending the date by which Hunt

Midwest and OPC must file rebuttal testimony by three days, to January 21, 2008. The parties further request that all other parts of the procedural schedule remain in effect, without change.

WHEREFORE, the parties jointly move the Commission for its order extending the date by which Timber Creek and the Staff must file direct testimony by one week, to December 21, 2007 and extending the date by which Hunt Midwest and OPC must file rebuttal testimony by three days, to January 18, 2008.

Respectfully submitted,

/s/ **Keith R. Krueger**
