

Complaint Exhibit No. 0012
Date 4-9-09 Case No. 42-7009-002
Reporter PR

4Th Amendment to WC -2009-0277

April 21, 2009

I first complained about water running out of the street on Aspen Woods over a year ago. Why does this portion of the street have water seeping up on it for days and weeks after the other areas have dried? I believe there may be a water main leak causing this problem.
