**ORDER SETTING PREHEARING CONFERENCE**

Issue Date: May 2, 2011

Effective Date: May 2, 2011

On April 19, 2011, the AT&T Companies filed a motion to suspend the tariff filed by Metropolitan Telecommunications of Missouri, Inc. The Commission directed Metropolitan to respond but the company failed to do so. The Commission therefore suspended the tariff for a period of 60 days, until June 24, 2011.

This matter is now at issue and a prehearing conference and procedural schedule are appropriate to ensure its prompt resolution. At the prehearing conference, the parties or their representatives should be prepared to discuss the nature of any discovery each will conduct and the interval necessary for its completion; the number of witnesses each expects to call at hearing; the number and nature of any exhibits each expects to offer at hearing; and the anticipated length of the hearing. The parties or their representatives should also be prepared to discuss the current status of settlement negotiations. It is expected that the prehearing conference will provide an opportunity for the parties to further pursue settlement discussions.

**THE COMMISSION ORDERS THAT:**

1. A prehearing conference shall be held on May 19, 2011, at the Governor Office Building, 200 Madison Street, Jefferson City, Missouri, room 305, beginning at

10:00 a.m. This hearing will be held in a building that meets accessibility standards required by the Americans with Disabilities Act. If you need additional accommodations to participate in this public hearing, please call the Public Service Commission's Hotline at 1-800-392-4211 (voice) or Relay Missouri at 711 prior to the hearing.

2. This order shall become effective upon issuance.
