OF THE STATE OF MISSOURI**

In the Matter of a Repository Docket in which to)
Gather Information and Assess the Availability of) **File No. TW-2010-0362**
Broadband Services in the State of Missouri)

NOTICE TO THE COMMISSION AND OTHER PARTICIPANTS

COMES NOW the Staff of the Missouri Public Service Commission and notes as follows:

1. In its June 11, 2010 Motion to open this matter, the Staff stated that it “plans to invite potential stakeholders to a conference August 25 and 26 to receive input from those stakeholders about how to proceed.”

2. In discussion with other state agencies, the Staff is advised that another conference, intended to cover much of the same information sought by the Staff, is presently planned, although the date is not set. The Staff believes it would be appropriate to postpone the conference mentioned in its Motion until after the other conference. At that time, the Staff will determine whether its conference is still necessary and reschedule accordingly.

WHEREFORE, the Staff respectfully advises the Commission and the other Participants in this matter that there will not be a broadband conference on August 25 and 26.

Respectfully submitted,

Colleen M. Dale
