day of November, 1994.

In the matter of Union Electric Company's tariff)
revisions designed to extend the termination date of its) Case No. ET-95-141
experimental "PowerStat Program".)
)

ORDER APPROVING TARIFF

On October 25, 1994, Union Electric Company (UE or Company) filed 2nd Revised Tariff Sheet No. 117.6 with an effective date of November 24, 1994. The Company requested that the filing be expedited so that the tariff sheet becomes effective on November 15, 1994. The purpose of the filing is to allow the Company to offer its PowerStat Program beyond the currently effective expiration date of November 15, 1994, to January 31, 1995. The Company states that it recently became aware of a PowerStat user's conference to be held on November 7, 1994, and would like to include information and/or data obtained from this conference in its final evaluation. Company further states that the proposed termination date of January 31, 1995 would allow completion of the analysis of the experimental program and allow time for the filing of a more permanent PowerStat Program with the Commission, if warranted.

On November 2, 1994, the Commission's Staff (Staff) filed its recommendation in this docket. Staff states that it is of the opinion that "good cause" exists for approval of the Program extension on the requested expedited date of November 15, 1994, to the extent that the Company needs more actual program experience to produce its final evaluation and to the extent that disruption of the Program could hamper the Company's evaluation of the Program.

R

The Commission has reviewed the Company's request, 2nd Revised Tariff Sheet No. 117.6 and the Staff Recommendation filed on November 2, 1994. The Commission determines that the required extension should be granted to allow the Company an opportunity to incorporate information and/or data obtained at the November 7, 1994 PowerStat user's conference into its final evaluation of the experimental program.

IT IS THEREFORE ORDERED:

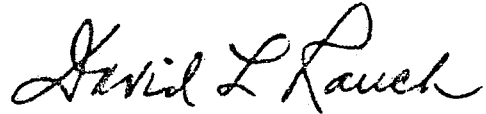

1. That the following tariff filed by Union Electric Company on October 25, 1994 is approved hereby for service rendered on and after November 15, 1994.

P.S.C. MO. SCHEDULE NO. 6

2nd Revised SHEET NO. 117.6 CANCELLING First Revised SHEET NO. 117.6

2. That this order shall become effective on the 15th day of November, 1994.
