ORDER DIRECTING FILING

Issue Date: June 27, 2008

Effective Date: June 27, 2008

On April 30, 2008, The Raytown Water Company filed an application for authority to issue Water Facilities Refunding and Improvement Bonds, Series 2008. The Staff of the Commission filed a response on June 2, 2008. In that pleading, Staff stated that Raytown Water's application was deficient, but that it expected the Company to file the necessary documents no later than June 6, 2008.

On June 20, 2008, Staff filed a status report. Staff stated that it was waiting on Raytown Water to file a revised Exhibit D to the application, and that until this document is filed, it cannot proceed with its investigation and recommendation. Staff indicated it intended to file its recommendation two weeks after receiving Raytown Water's revised Exhibit D, if no additional discovery is necessary.

Raytown Water filed the revised Exhibit D on June 20, 2008.

The Commission has reviewed Staff's status report and will set a filing date for Staff's recommendation or a further status report.

IT IS ORDERED THAT:

1. No later than July 10, 2008, The Staff of the Commission shall file either its recommendation or a further status report concerning The Raytown Water Company's instant application.
2. This order shall become effective on June 27, 2008.
