## ORDER DIRECTING APPLICANT TO PROVIDE ATTACHMENTS

Issue Date: February 8, 2022

Effective Date: February 8, 2022

On November 23, 2021, The Raytown Water Company (Raytown) filed an application with the Commission requesting authority to issue Water Facilities Refunding and Improvement Bonds through the Environmental Improvement and Energy Resources Authority (EIERA) not to exceed \$5 million at an interest rate not to exceed 3.25% per year.

Raytown's application refers to several exhibits as being attached to its application. However, in reviewing the documents filed in this matter, it does not appear that the following documents have been filed in the Commission's Electronic Filing and Information System (EFIS): Exhibit C (the purpose of the bonds), Exhibit F (balance sheet and income statement), and Exhibit G (five year capital expenditure schedule).

So as to properly review Raytown's application, the Commission will order that the above-referenced documents be filed.

### THE COMMISSION ORDERS THAT:

1. No later than February 15, 2022, Raytown shall file Exhibits C, F, and G, referred to in its application.
2. This order shall be effective when issued.
