ORDER GRANTING INTERVENTION

On June, 19, 1997, Shawnee Bend Water and Sewer L.L.C., (Shawnee Bend) filed an application with the Commission requesting a certificate of convenience and necessity to provide both water and sewer service to the public in an unincorporated area of Camden County, Missouri. On August 21, 1997, Four Seasons filed an application to intervene.

On September 9, 1997, the Commission issued an order regarding intervention in which it instructed Four Seasons that its application for intervention should be amended to accurately specify the corporate entity requesting intervention. On September 10, 1997, Four Seasons filed a first amended application in which it specified that Four Seasons Lakesites Water & Sewer Company was now Four Seasons Water & Sewer Company and was the correct corporate entity. No objection to this application has been tendered. In its first order the Commission found that, if the applicant was Four Seasons Water & Sewer Company, there was an interest different from that of the general public for purposes of intervention.

Therefore, as the correct corporate entity has made application without objection, intervention will be granted.

IT IS THEREFORE ORDERED:

1. That Four Seasons Water & Sewer Company is granted intervention in this proceeding.

2. That this order shall become effective on September 16, 1997.
