## ORDER APPROVING INTERIM BOWLING GREEN DISTRICT RATES

United Cities Gas Company (United) of Brentwood, Tennessee, submitted a tariff sheet to the Commission on June 30, 1997, carrying an effective date of August 1, 1997. The tariff sheet was filed to reflect changes in Bowling Green District's Purchased Gas Adjustment (PGA) factors as a result of an increase in the spot market cost of gas. These changes will increase United's annualized revenues by approximately \$33,400. The impact on a typical residential space heating customer using 27 Ccfs of natural gas in the month of August will be an increase of \$0.54 or 2.6%.

The Staff of the Commission (Staff) filed a memorandum stating that the change in United's PGA was calculated in conformance with United's approved PGA Clause and recommends that the Commission approve the tariff sheet to become effective on August 1, 1997. Staff recommended that the tariff sheet be approved on an interim basis, subject to refund, until the Commission makes its final determinations in Case Nos. GR-96-197 and GR-97-259.

The Commission has reviewed the tariff sheet and Staff's recommendation, and finds that the tariff sheet conforms to it's Commission-approved PGA Clause and is therefore reasonable. After considering Staff's recommendation the Commission is of the opinion that the proposed tariff sheet should be approved to become effective on and after the requested effective date of August 1, 1997, interim subject to refund.

## IT IS THEREFORE ORDERED:

1. That the tariff sheet submitted on June 30, 1997, by United Cities Gas Company of Brentwood, Tennessee, for the purpose of reflecting changes in rates for natural gas in its Bowling Green District, is approved on an interim basis, subject to refund, to become effective on August 1, 1997. The tariff sheet approved is:

P.S.C. MO. No. 3
59th Revised SHEET No. 47 Cancelling 58th Revised SHEET No. 47

2. That this order shall become effective August 1, 1997.
