CASE NO. TD-97-459

ORDER CANCELING CERTIFICATE AND TARIFF

The Commission received a motion from Avis Rent A Car System, Inc., a competitive telecommunications company, on April 21, 1997, requesting that the company's certificate of service authority be canceled. In its Memorandum filed on June 18, the Staff of the Commission (Staff) recommended that the Commission issue an order to cancel the company's certificate of service authority granted in Case No. TA-97-186 and accompanying tariffs.

Based upon the company's motion and Staff's recommendation, the Commission will cancel the certificate of service authority and accompanying tariff. The request indicates that as a result of a change in its business plans, the company no longer intends to provide intrastate, interexchange service in Missouri.

IT IS THEREFORE ORDERED:

1. That the certificate of service authority to provide interexchange telecommunications services within the State of Missouri and accompanying tariff of Avis Rent A Car System, Inc. are hereby canceled.

2. That this order shall become effective on July 29, 1997.
