U.S. Telco, Inc. has pending before the Commission an application for certificates of service authority to provide basic local telecommunications services. The Commission issued an order on May 19, 1997, directing the parties to file a proposed procedural schedule no later than June 3.

The Staff of the Commission (Staff) filed a motion on June 3 stating that the parties anticipate filing a stipulation in the case and asking the Commission to establish a deadline for that filing of June 27.

The Commission finds that it is appropriate to establish a deadline for the filing of a stipulation and the motion should be granted.

IT IS THEREFORE ORDERED:

1. That the Motion to Establish Stipulation Deadline filed by the Commission Staff on June 3, 1997, is granted.
2. That the parties shall file a Stipulation and Agreement resolving the issues in this case no later than June 27, 1997.

3. That this order shall become effective on the date hereof.
