Rate Design Investigation of     )  
Kansas City Power and Light Company     )

ORDER GRANTING ADMISSION OF COUNSEL PRO HAC VICE

On December 29, 1993, this docket was opened as a result of the Commission approving a Stipulation and Agreement in Case No. ER-94-97, for the purpose of performing a customer class cost of service and comprehensive rate design study.

On February 15, 1995, KCPL filed a motion for the admission of counsel pro hac vice pursuant to Rule 4 CSR 240-2.040(3)(c). The motion states that KCPL counsel, Susan B. Cunningham, is an attorney in good standing licensed to practice law in the State of Kansas. The motion continues that Ms. Cunningham has not been disqualified from practice before the Commission and that KCPL counsel William Riggins will serve as associate counsel. No objection to this motion was made by any party to this matter.

It appears to the Commission that compliance with Rule 4 CSR 240-2.040 has been achieved. As no other objection has been made to this motion, the Commission will allow KCPL counsel Susan B. Cunningham to appear and participate in this matter.

IT IS THEREFORE ORDERED:

1. That Kansas City Power and Light counsel Susan B. Cunningham is allowed to appear and participate in this matter, having complied with Rule 4 CSR 240-2.040(3)(c).

2. That this order shall become effective on the date hereof.
